Subpart L—Performance Reviews and Sanctions

§ 92.550 Performance reviews.

(a) *General.* HUD will review the performance of each participating jurisdiction in carrying out its responsibilities under this part whenever determined necessary by HUD, but at least annually. In conducting performance reviews, HUD will rely primarily on information obtained from the participating jurisdiction's and, as appropriate, the State recipient's records and reports, findings from on-site monitoring, audit reports, and information generated from the disbursement and information system established by HUD. Where applicable, HUD may also consider relevant information pertaining to a participating jurisdiction's or State recipient's performance gained from other sources, including citizen comments, complaint determinations, and litigation. Reviews to determine compliance with specific requirements of this part will be conducted as necessary, with or without prior notice to the participating jurisdiction or State recipient. Comprehensive performance reviews under the standards in paragraph (b) of this section will be conducted after prior notice to the participating jurisdiction.

(b) *Standards for comprehensive performance review.* A participating jurisdiction's performance will be comprehensively reviewed periodically, as prescribed by HUD, to determine:

(1) For local participating jurisdictions and State participating jurisdictions administering their own HOME programs, whether the participating jurisdiction has committed the HOME funds in the United States Treasury account as required by § 92.500 and expended the funds in the United States Treasury account as required by § 92.500, and has met the requirements of this part, particularly eligible activities, income targeting, affordability, and matching requirements; or

(2) For State participating jurisdictions distributing HOME funds to State recipients, whether the State has met

the matching contribution and other requirements of this part; has distributed the funds in accordance with the requirements of this part; and has made such reviews and audits of its State recipients as may be appropriate to determine whether they have satisfied the requirements of paragraph (b)(1) of this section.

§ 92.551 Corrective and remedial actions.

(a) *General.* HUD will use the procedures in this section in conducting the performance review as provided in § 92.550 and in taking corrective and remedial actions.

(b) *Performance review.* (1) If HUD determines preliminarily that the participating jurisdiction has not met a requirement of this part, the participating jurisdiction will be given notice of this determination and an opportunity to demonstrate, within the time prescribed by HUD (not to exceed 30 days) and on the basis of substantial facts and data, that it has done so.

(2) If the participating jurisdiction fails to demonstrate to HUD's satisfaction that it has met the requirement, HUD will take corrective or remedial action in accordance with this section or § 92.552.

(c) *Corrective and remedial actions.* Corrective or remedial actions for a performance deficiency (failure to meet a provision of this part) will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence.

(1) HUD may instruct the participating jurisdiction to submit and comply with proposals for action to correct, mitigate and prevent a performance deficiency, including:

(i) Preparing and following a schedule of actions for carrying out the affected activities, consisting of schedules, timetables, and milestones necessary to implement the affected activities;

(ii) Establishing and following a management plan that assigns responsibilities for carrying out the remedial actions;
