(3) HUD shall require that the Indian tribe annually provide written verification, on a form approved by HUD, that the affordable housing activities it is providing meet the definition of substantial housing services.

Total Development Cost (TDC) is the sum of all costs for a project including all undertakings necessary for administration, planning, site acquisition, demolition, construction or equipment and financing (including payment of carrying charges) and for otherwise carrying out the development of the project, excluding off site water and sewer. Total Development Cost amounts will be based on a moderately designed house and will be determined by averaging the current construction costs as listed in not less than two nationally recognized residential construction cost indices.

Without kitchen or plumbing means, as defined by the U.S. Decennial Census, an occupied house without one or more of the following items:

(1) Hot and cold piped water;
(2) A flush toilet;
(3) A bathtub or shower;
(4) A sink with piped water;
(5) A range or cookstove; or
(6) A refrigerator.

§ 1000.308 Who can make modifications to the IHBG formula?

HUD can make modifications in accordance with §1000.304 and §1000.306 provided that any changes proposed by HUD are published and made available for public comment in accordance with applicable law before their implementation.

§ 1000.310 What are the components of the IHBG formula?

The IHBG formula consists of two components:

(a) Formula Current Assisted Housing Stock (FCAS); and

(b) Need.

§ 1000.312 What is current assisted stock?

Current assisted stock consists of housing units owned or operated pursuant to an ACC. This includes all low rent, Mutual Help, and Turnkey III housing units under management as of September 30, 1997, as indicated in the Formula Response Form.

§ 1000.314 What is formula current assisted stock?

Formula current assisted stock is current assisted stock as described in §1000.312 plus 1937 Act units in the development pipeline when they become owned or operated by the recipient and are under management as indicated in the Formula Response Form. Formula current assisted stock also includes Section 8 units when their current contract expires and the Indian tribe continues to manage the assistance in a manner similar to the Section 8 program, as reported on the Formula Response Form.
