

under the Contract, the PHA will notify the owner and lender, with a copy to HUD, (i) of the actions required to be taken to cure the default, (ii) of the remedies to be applied by the PHA including specific performance under the Contract, abatement of housing assistance payments and recovery of overpayments, where appropriate, and (iii) that if he fails to cure the default, the PHA has the right to terminate the Contract or to take other corrective action, in its discretion or as directed by HUD.

(2) If the PHA is the lender, the Contract will also provide that HUD has an independent right to determine whether the owner is in default and to take corrective action and apply appropriate remedies, except that HUD will not have the right to terminate the Contract without proceeding in accordance with paragraph (b) of this section.

§ 880.508 Notice upon contract expiration.

(a) The Contract will provide that the owner will notify each assisted family, at least 90 days before the end of the Contract term, of any increase in the amount the family will be required to pay as rent which may occur as a result of its expiration. If the Contract is to be renewed but with a reduction in the number of units covered by it, this notice shall be given to each family who will no longer be assisted under the Contract.

(b) The notice provided for in paragraph (a) of this section shall be accomplished by: (1) Sending a letter by first class mail, properly stamped and addressed, to the family at its address at the project, with a proper return address; and (2) serving a copy of the notice on any adult person answering the door at the leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by affixing the notice to the door. Service shall not be considered to be effective until both required notices have been accomplished. The date on which the notice shall be considered to be received by the family shall be the date on which the owner mails the first class letter provided for in this paragraph, or the date on which the no-

tice provided for in this paragraph is properly given, whichever is later.

(c) The notice shall advise each affected family that, after the expiration date of the Contract, the family will be required to bear the entire cost of the rent and that the owner will be free (to the extent the project is not otherwise regulated by HUD) to alter the rent without HUD approval, but subject to any applicable requirements or restrictions under the lease or under State or local law. The notice shall also state: (1) The actual (if known) or the estimated rent which will be charged following the expiration of the Contract; (2) the difference between the rent and the Total Tenant Payment toward rent under the Contract; and (3) the date the Contract will expire.

(d) The owner shall give HUD a certification that families have been notified in accordance with this section with an example of the text of the notice attached.

(e) This section applies to all Contracts entered into pursuant to an Agreement executed on or after October 1, 1981, or entered into pursuant to an Agreement executed before October 1, 1981, but renewed or amended on or after October 1, 1984.

Subpart F—Management

§ 880.601 Responsibilities of owner.

(a) *Marketing.* (1) The owner must commence diligent marketing activities in accordance with the Agreement not later than 90 days prior to the anticipated date of availability for occupancy of the first unit of the project.

(2) Marketing must be done in accordance with the HUD-approved Affirmative Fair Housing Marketing Plan and all Fair Housing and Equal Opportunity requirements. The purpose of the Plan and requirements is to assure that eligible families of similar income in the same housing market area have an equal opportunity to apply and be selected for a unit in projects assisted under this part regardless of their race, color, creed, religion, sex or national origin.

§ 880.601

(3) With respect to non-elderly family units, the owner must undertake marketing activities in advance of marketing to other prospective tenants in order to provide opportunities to reside in the project to non-elderly families who are least likely to apply, as determined in the Affirmative Fair Housing Marketing Plan, and to non-elderly families expected to reside in the community by reason of current or planned employment.

(4) At the time of Contract execution, the owner must submit a list of leased and unleased units, with justification for the unleased units, in order to qualify for vacancy payments for the unleased units.

(b) *Management and maintenance.* The owner is responsible for all management functions, including determining eligibility of applicants, selection of tenants, reexamination and verification of family income and composition, determination of family rent (total tenant payment, tenant rent and utility reimbursement), collection of rent, termination of tenancy and eviction, and performance of all repair and maintenance functions (including ordinary and extraordinary maintenance), and replacement of capital items. (See part 5 of this title.) All functions must be performed in accordance with applicable equal opportunity requirements.

(c) *Contracting for services.* (1) For this part 880 and 24 CFR part 881 projects, with HUD approval, the owner may contract with a private or public entity (except the contract administrator) for performance of the services or duties required in paragraphs (a) and (b) of this section.

(2) For 24 CFR part 883 projects, with approval of the Agency, the owner may contract with a private or public entity (but not with the Agency unless temporarily necessary for the Agency to protect its financial interest and to uphold its program responsibilities where no alternative management agent is immediately available) for performance of

24 CFR Ch. VIII (4-1-12 Edition)

the services or duties required in paragraphs (a) and (b) of this section.

(3) However, such an arrangement does not relieve the owner of responsibility for these services and duties.

(d) *Submission of financial and operating statements.* After execution of the Contract, the owner must submit to the contract administrator:

(1) Financial information in accordance with 24 CFR part 5, subpart H; and

(2) Other statements as to project operation, financial conditions and occupancy as HUD may require pertinent to administration of the Contract and monitoring of project operations.

(e) *Use of project funds.* (1) Project funds must be used for the benefit of the project, to make required deposits to the replacement reserve in accordance with § 880.602 and to provide distributions to the owner as provided in § 880.205, § 881.205 of this chapter, or § 883.306 of this chapter, as appropriate.

(2) For this part 880 and 24 CFR part 881 projects:

(i) Any remaining project funds must be deposited with the mortgagee or other HUD-approved depository in an interest-bearing residual receipts account. Withdrawals from this account will be made only for project purposes and with the approval of HUD.

(ii) Partially-assisted projects are exempt from the provisions of this section.

(iii) In the case of HUD-insured projects, the provisions of this paragraph (e) will apply instead of the otherwise applicable mortgage insurance provisions.

(3) For 24 CFR part 883 projects:

(i) Any remaining project funds must be deposited with the Agency, other mortgagee or other Agency-approved depository in an interest-bearing account. Withdrawals from this account may be made only for project purposes and with the approval of the Agency.

(ii) In the case of HUD-insured projects, the provisions of this paragraph will apply instead of the otherwise applicable mortgage insurance

provisions, except in the case of partially-assisted projects which are subject to the applicable mortgage insurance provisions.

This amount will be adjusted each year by the amount of the automatic annual adjustment factor.

(ii) The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. Should the reserve achieve that level, the rate of deposit to the reserve may be reduced with the approval of HUD.

(iii) All earnings including interest on the reserve must be added to the reserve.

(iv) Funds will be held by the mortgagee or trustee for bondholders, and may be drawn from the reserve and used only in accordance with HUD guidelines and with the approval of, or as directed by, HUD.

(v) Partially-assisted part 880 and 24 CFR part 881 projects are exempt from the provisions of this section.

(2) *Part 883 of this chapter projects.* (i) For 24 CFR part 883 projects, an amount equivalent to at least .006 of the cost of total structures, including main buildings, accessory buildings, garages and other buildings, or any

(iv) Funds will be held by the Agency, other mortgagee or trustee for bondholders, as determined by the Agency, and may be drawn from the reserve and used only in accordance with Agency guidelines and with the approval of, or as directed by, the Agency.

(v) The Agency may exempt partially-assisted projects approved under 24 CFR part 883, subpart D, from the provisions of this section. All partially-assisted projects not approved under the Fast Track Procedures formerly in 24 CFR part 883, subpart D, are exempt from the provisions of this section.

(b) In the case of HUD-insured projects, the provisions of this section will apply instead of the otherwise applicable mortgage insurance provisions, except in the case of partially-assisted insured projects which are subject to the applicable mortgage insurance provisions.
