

## National Indian Gaming Commission, Interior

## § 517.6

(n) *Working day* means a Federal workday that does not include Saturdays, Sundays, or Federal holidays.

### § 517.4 Requirements for making requests.

(a) *How to make a FOIA request.* Requests for records made pursuant to the FOIA must be in writing. Requests should be sent to the National Indian Gaming Commission, Attn: FOIA Officer, 1441 L Street, NW., Suite 9100, Washington, DC 20005. Requests may be mailed, dropped off in person, or faxed to (202) 632-7066 (not a toll free number). If the requester is making a request for records about himself/herself, the requester should see 25 CFR 515.3 for additional information. If the requester is making a request for records about another individual, the requester must provide either a written authorization signed by that individual authorizing disclosure of the records to the requester or provide proof that the individual is deceased (for example, a copy of the death certificate or a copy of the obituary).

(b) *Description of records sought.* Requests for records shall describe the records requested with as much specificity as possible to enable Commission employees to locate the information requested with a reasonable amount of effort.

(c) *Agreement to pay fees.* Requests shall also include a statement indicating the maximum amount of fees the requester is willing to pay to obtain the requested information, or a request for a waiver or reduction of fees. If the requester is requesting a waiver or reduction of fees the requester must include justification for such waiver or reduction (see Sec. 517.9 (c) for more information). If the request for a fee waiver is denied, the requester will be notified of this decision and advised that fees associated with the processing of the request will be assessed. The requester must send an acknowledgment to the FOIA Officer indicating his/her willingness to pay the fees. Absent such acknowledgment within the specified time frame, the request will be considered incomplete, no further work shall be done, and the request will be administratively closed.

(d) *Types of records not available.* The FOIA does not require the Commission to:

(1) Compile or create records solely for the purpose of satisfying a request for records;

(2) Provide records not yet in existence, even if such records may be expected to come into existence at some future time; or

(3) Restore records destroyed or otherwise disposed of, except that the FOIA Officer must notify the requester that the requested records have been destroyed or disposed.

### § 517.5 Responsibility for responding to requests.

(a) *In general.* In determining which records are responsive to a request, the Commission ordinarily will include only records in its possession as of the date it begins its search for records. If any other date is used, the FOIA Officer shall inform the requester of that date.

(b) *Authority to grant or deny requests.* The FOIA Officer shall make initial determinations either to grant or deny in whole or in part a request for records.

(c) *Consultations and referrals.* (1) When a requested record has been created by another Federal Government agency that record shall be referred to the originating agency for direct response to the requester. The requester shall be informed of the referral. As this is not a denial of a FOIA request, no appeal rights accrue to the requester.

(2) When a requested record is identified as containing information originating with another Federal Government agency, the record shall be referred to the originating agency for review and recommendation on disclosure.

### § 517.6 Timing of responses to requests.

(a) *In general.* The FOIA Officer ordinarily shall respond to requests according to their order of receipt.

(b) *Multitrack processing.* (1) The FOIA Officer may use multi-track processing in responding to requests. Multi-track processing means placing simple requests requiring rather limited review in one processing track and placing

more voluminous and complex requests in one or more other tracks. Request in either track are processed on a first-in/first-out basis.

(2) The FOIA Officer may provide requesters in its slower track(s) with an opportunity to limit the scope of their requests in order to qualify for faster processing within the specified limits of faster track(s). The FOIA Officer will do so either by contacting the requester by letter or telephone, whichever is more efficient in each case.

(c) *Initial determinations.* (1) The FOIA Officer shall make an initial determination regarding access to the requested information and notify the requester within twenty (20) working days after receipt of the request. This 20 day period may be extended if unusual circumstances arise. If an extension is necessary, the FOIA Officer shall promptly notify the requester of the extension, briefly stating the reasons for the extension, and estimating when the FOIA Officer will respond. Unusual circumstances warranting extension are:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of records which are demanded in a single request; or

(iii) The need for consultation with another agency having a substantial interest in the determination of the request, which consultation shall be conducted with all practicable speed.

(2) If the FOIA Officer decides that an initial determination cannot be reached within the time limits specified in paragraph (c)(1) of this section, the FOIA Officer shall notify the requester of the reasons for the delay and include an estimate of when a determination will be made. The requester will then have the opportunity to modify the request or arrange for an alternative time frame for completion of the request.

(3) If the FOIA Officer has a reasonable basis to conclude that a requester or group of requesters has divided a request into a series of requests on a single subject or related subjects to avoid

fees, the requests may be aggregated and fees charged accordingly. Multiple requests involving unrelated matters will not be aggregated.

(4) If no initial determination has been made at the end of the 20 day period provided for in paragraph (a)(1) of this section, including any extension, the requester may appeal the action to the FOIA Appeals Officer.

(5) If the FOIA Officer determines that another agency is responsible for the records, the FOIA Officer shall refer such records to the appropriate agency for direct response to the requester. The FOIA Officer shall inform the requester of the referral and of the name and address of the agency or agencies to which the request has been referred.

(d) *Granting of requests.* When the FOIA Officer determines that the requested records shall be made available, the FOIA Officer shall notify the requester in writing and provide copies of the requested records in whole or in part once any fees charged under Sec. 517.9 have been paid in full. Records disclosed in part shall be marked or annotated to show the exemption applied to the withheld information and the amount of information withheld unless to do so would harm the interest protected by an applicable exemption. If a requested record contains exempted material along with nonexempt material, all reasonable segregable material shall be disclosed.

(e) *Denial of requests.* When the FOIA Officer determines that access to requested records should be denied, the FOIA Officer shall notify the requester of the denial, the grounds for the denial, and the procedures for appeal of the denial.

(f) *Expedited processing of request.* The FOIA Officer must determine whether to grant the request for expedited processing within (10) calendar days of its receipt. Requests will receive expedited processing if one of the following compelling needs is met:

(1) The requester can establish that failure to receive the records quickly could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) The requester is primarily engaged in disseminating information

and can demonstrate that an urgency to inform the public concerning actual or alleged Federal Government activity exists.

**§517.7 Confidential commercial information.**

(a) *Notice to submitters.* The FOIA Officer shall, to the extent permitted by law, provide a submitter who provides confidential commercial information to the FOIA Officer, with prompt notice of a FOIA request or administrative appeal encompassing the confidential commercial information if the Commission may be required to disclose the information under the FOIA. Such notice shall either describe the exact nature of the information requested or provide copies of the records or portions thereof containing the confidential commercial information. The FOIA Officer shall also notify the requester that notice and an opportunity to object has been given to the submitter.

(b) *Where notice is required.* Notice shall be given to a submitter when:

(1) The information has been designated by the submitter as confidential commercial information protected from disclosure. Submitters of confidential commercial information shall use good faith efforts to designate, either at the time of submission or a reasonable time thereafter, those portions of their submissions they deem protected from disclosure under Exemption 4 of the FOIA because disclosure could reasonably be expected to cause substantial competitive harm. Such designation shall be deemed to have expired ten years after the date of submission, unless the requester provides reasonable justification for a designation period of greater duration; or

(2) The FOIA Officer has reason to believe that the information may be protected from disclosure under Exemption 4 of the FOIA.

(c) *Opportunity to object to disclosure.* The FOIA Officer shall afford a submitter a reasonable period of time to provide the FOIA Officer with a detailed written statement of any objection to disclosure. The statement shall specify all grounds for withholding any of the information under any exemption of the FOIA, and if Exemption 4

applies, shall demonstrate the reasons the submitter believes the information to be confidential commercial information that is exempt from disclosure. Whenever possible, the submitter's claim of confidentiality shall be supported by a statement or certification by an officer or authorized representative of the submitter. In the event a submitter fails to respond to the notice in the time specified, the submitter will be considered to have no objection to the disclosure of the information. Information provided by the submitter that is received after the disclosure decision has been made will not be considered. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(d) *Notice of intent to disclose.* The FOIA Officer shall carefully consider a submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose the information requested. Whenever the FOIA Officer determines that disclosure is appropriate, the FOIA Officer shall, within a reasonable number of days prior to disclosure, provide the submitter with written notice of the intent to disclose which shall include a statement of the reasons for which the submitter's objections were overruled, a description of the information to be disclosed, and a specific disclosure date. The FOIA Officer shall also notify the requester that the requested records will be made available.

(e) *Notice of lawsuit.* If the requester files a lawsuit seeking to compel disclosure of confidential commercial information, the FOIA Officer shall promptly notify the submitter of this action. If a submitter files a lawsuit seeking to prevent disclosure of confidential commercial information, the FOIA Officer shall notify the requester.

(f) *Exceptions to the notice requirements under this section.* The notice requirements under paragraphs (a) and (b) of this section shall not apply if:

(1) The FOIA Officer determines that the information should not be disclosed pursuant to Exemption 4 and/or any other exemption of the FOIA;

(2) The information lawfully has been published or officially made available to the public;
