(b) Trade or business requirement. Any amount treated as a contract research expense under section 30(e) (before amendment by the Tax Reform Act of 1986) shall be deemed to have been paid or incurred in carrying on a trade or business, if the corporation that paid or incurred the expenses is actually engaged in carrying on some trade or business.

(c) Prepaid amounts.—(1) In general. If any basic research expense paid or incurred during any taxable year is attributable to research to be conducted after the close of such taxable year, the expense so attributable shall be treated for purposes of section 30(b)(1)(B) (before amendment by the Tax Reform Act of 1986) as paid or incurred during the period in which the basic research is conducted.

For example, if an item of property which is 3-year property under section 168(c) is transferred to a university for basic research on January 12, 1983, and is first so used by the university on March 1, 1983, then the research in which that property is used is considered to be conducted ratably from March 1, 1983, through February 28, 1986.
