(2) *Installment obligations*—(i) *Interest election.* In recomputing its U.S. net equity as of the close of the preceding taxable year, a foreign corporation that holds an installment obligation treated as a U.S. asset under § 1.884-1T(d)(7) (as contained in the CFR edition revised as of April 1, 1992) as of such date may apply the rules of paragraph (d)(2)(iii) of this section without regard to the rule in that paragraph that requires interest or original issue discount on the obligation to be treated as ECI in order for such obligation to be treated as a U.S. asset.

(ii) *1987 sales by certain foreign corporations.* The E&P basis of an installment obligation arising in connection with a sale of property by a foreign corporation described in section 312(k)(4), where such sale occurs in a taxable year beginning in 1987, shall equal the E&P basis of the property sold as of the determination date reduced by payments received with respect to the obligation that do not represent gain for earnings and profits purposes, interest or original issue discount.

If an event described in paragraph (c)(6)(i)(A), (B), or (C) of this section occurs after the close of the taxable year in which the section 381(a) transaction occurs, and if additional branch profits tax is required to be paid by reason of the application of this paragraph (c)(6)(i), then interest must be paid on that amount at the underpayment rates determined under section 6621(a)(2), with respect to the period between the date that was prescribed for filing the transferor's income tax return for the year in which the section 381(a) transaction occurs and the date on which the additional tax for that year is paid.
