

§ 1.891

26 CFR Ch. I (4-1-12 Edition)

receiving a ruling will be treated as a qualified resident of its country of residence for the taxable year for which the ruling is requested and for the succeeding two taxable years. If there is a material change in any fact that formed the basis of the ruling, such as the ownership or the nature of the trade or business of the foreign corporation, the foreign corporation must notify the Secretary within 90 days of such change and submit a new private letter ruling request. The Commissioner will then rule whether the change affects the foreign corporation's status as a qualified resident, and such ruling will be valid for the taxable year in which the material change occurred and the two succeeding taxable years, subject to the requirement in the preceding sentence to notify the Commissioner of a material change.

(g) *Effective dates.* Except as provided in paragraph (e)(4)(ii) of this section, this section is effective for taxable years beginning on or after October 13, 1992. With respect to a taxable year beginning before October 13, 1992, and after December 31, 1986, a foreign corporation may elect to apply this section in lieu of the temporary regulations under 1.884-5T (as contained in the CFR edition revised as of April 1, 1992), but only if the statute of limitations for assessment of a deficiency has not expired for that taxable year. Once an election has been made, an election shall apply to all subsequent taxable years.

(h) *Transition rule.* If a foreign corporation elects to apply this section in lieu of § 1.884-5T (as contained in the CFR edition revised as of April 1, 1992) as provided in paragraph (g) of this section, and the application of paragraph (b) of this section results in additional documentation requirements in order for the foreign corporation to be treated as a qualified resident, the foreign corporation must obtain the documentation required under that paragraph on or before March 11, 1993.

MISCELLANEOUS PROVISIONS

§ 1.891 Statutory provisions; doubling of rates of tax on citizens and corporations of certain foreign countries.

§ 1.892-1T Purpose and scope of regulations (temporary regulations).

(a) *In general.* These regulations provide guidance with respect to the taxation of income derived by foreign governments and international organizations from sources within the United States. Under section 892, certain specific types of income received by foreign governments are excluded from gross income and are exempt, unless derived from the conduct of a commercial activity or received from or by a controlled commercial entity. This section sets forth the effective date of the

regulations. Section 1.892-2T defines a foreign government. In particular it describes the extent to which either an integral part of a foreign sovereign or an entity which is not an integral part of a foreign sovereign will be treated as a foreign government for purposes of section 892. Section 1.892-3T describes the types of income that generally qualify for exemption and certain limitations on the exemption. Section 1.892-4T provides rules concerning the characterization of activities as commercial activities. Section 1.892-5T defines a controlled commercial entity. Section 1.892-6T sets forth the extent to which income of international organizations from sources within the United States is excluded from gross income and is exempt from taxation. Section 1.892-7T sets forth the relationship of section 892 to other Internal Revenue Code sections.

(b) *Effective date.* The regulations set forth in §§ 1.892-1T through 1.892-7T apply to income received by a foreign government on or after July 1, 1986. No amount of income shall be required to be deducted and withheld, by reason of the amendment of section 892 by section 1247 of the Tax Reform Act of 1986 (Pub. L. 99-514, 100 Stat. 2085, 2583) from any payment made before October 22, 1986.

§ 1.892-2T Foreign government defined (temporary regulations).

(a) *Foreign government—(1) Definition.* The term “foreign government” means only the integral parts or controlled entities of a foreign sovereign.

(2) *Integral part.* An “integral part” of a foreign sovereign is any person, body of persons, organization, agency, bureau, fund, instrumentality, or other body, however designated, that constitutes a governing authority of a foreign country. The net earnings of the governing authority must be credited to its own account or to other accounts of the foreign sovereign, with no portion inuring to the benefit of any private person. An integral part does not include any individual who is a sovereign, official, or administrator acting in a private or personal capacity. Consideration of all the facts and cir-

cumstances will determine whether an individual is acting in a private or personal capacity.

(3) *Controlled entity.* The term “controlled entity” means an entity that is separate in form from a foreign sovereign or otherwise constitute a separate juridical entity if it satisfies the following requirements:

(i) It is wholly owned and controlled by a foreign sovereign directly or indirectly through one or more controlled entities;

(ii) It is organized under the laws of the foreign sovereign by which owned;

(iii) Its net earnings are credited to its own account or to other accounts of the foreign sovereign, with no portion of its income inuring to the benefit of any private person; and

(iv) Its assets vest in the foreign sovereign upon dissolution.

A controlled entity does not include partnerships or any other entity owned and controlled by more than one foreign sovereign. Thus, a foreign financial organization organized and wholly owned and controlled by several foreign sovereigns to foster economic, financial, and technical cooperation between various foreign nations is not a controlled entity for purposes of this section.

(b) *Inurement to the benefit of private persons.* For purposes of this section, income will be presumed not to inure to the benefit of private persons if such persons (within the meaning of section 7701(a)(1)) are the intended beneficiaries of a governmental program which is carried on by the foreign sovereign and the activities of which constitute governmental functions (within the meaning of § 1.892-4T(c)(4)). Income will be considered to inure to the benefit of private persons if such income benefits:

(1) Private persons through the use of a governmental entity as a conduit for personal investment; or

(2) Private persons who divert such income from its intended use by the exertion of influence or control through means explicitly or implicitly approved of by the foreign sovereign.

(c) *Pension trusts—(1) In general.* A controlled entity includes a separately organized pension trust if it meets the following requirements:
