§ 40.526 Minimum manufacturing and activity requirements.

A permit to manufacture processed tobacco will only be granted to those persons engaged in the processing of tobacco. A permit may be suspended, and subsequently revoked, if the person has no activity under such permit for a period of one year. A person whose permit as a manufacturer of processed tobacco has been revoked for non-use, who wishes to engage in such business, must re-apply for such permit. 

(26 U.S.C. 5712)

§ 40.527 Authorization to package processed tobacco.

A permit to manufacture processed tobacco does not authorize packaging of processed tobacco. Packaging of processed tobacco may only occur on the bonded premises of a manufacturer of tobacco products.

§ 40.528 Suspension and revocation of permit.

Where the appropriate TTB officer has reason to believe that a manufacturer of processed tobacco has not in good faith complied with the provisions of 26 U.S.C. chapter 52, and regulations thereunder, or with any other provision of 26 U.S.C. with intent to defraud, or has violated any condition of his permit, or has failed to disclose any material information required or made any material false statement in the application for the permit, or is, by reason of previous or current legal proceedings involving a felony violation of any other provision of Federal criminal law relating to tobacco products, processed tobacco, cigarette paper, or cigarette tubes, not likely to maintain operations in compliance with 26 U.S.C. chapter 52, or has been convicted of a felony violation of any provision of Federal or State criminal law relating to tobacco products, processed tobacco, cigarette paper, or cigarette tubes, the TTB officer shall issue an order, stating the facts charged, citing such person to show cause why his permit should not be suspended or revoked. Such citation shall be issued and opportunity for hearing afforded in accordance with part 71 of this chapter, which part is applicable to such proceedings. If, after hearing, the hearing examiner, or on appeal, the Administrator, finds that such person has not shown cause why his permit should not be suspended or revoked, such permit shall be suspended for such period as the appropriate TTB officer deems proper or shall be revoked.

EFFECTIVE DATE NOTE: By T.D. TTB–80, at 74 FR 37552, July 29, 2009, § 40.528 was amended in the first sentence by removing the phrase “manufacturer of tobacco products” and adding in its place the phrase “manufacturer of processed tobacco”, effective July 29, 2009 through June 22, 2012.

OTHER PROVISIONS RELATING TO MANUFACTURERS OF PROCESSED TOBACCO

§ 40.531 Alternate methods or procedures.

(a) General. A manufacturer of processed tobacco, on specific approval by the appropriate TTB officer as provided in this section, may use an alternate method or procedure in lieu of a method or procedure specifically prescribed in this subpart. The appropriate TTB officer may approve an alternate method or procedure, subject to stated conditions, when the appropriate TTB officer finds that—

(1) Good cause has been shown for the use of the alternate method or procedure;

(2) The alternate method or procedure is within the purpose of, and consistent with the effect intended by, the specifically prescribed method or procedure, and

(3) The alternate method or procedure will not be contrary to any provision of law, and will not result in an increase in cost to the Government or hinder the effective administration of this subpart.

(b) Application. A manufacturer of processed tobacco who desires to employ an alternate method or procedure must submit a written application to the appropriate TTB officer. The application shall specifically describe the proposed alternate method or procedure, and shall set forth the reasons
