

**§ 511.12 Prohibited objects.**

(a) "Prohibited objects," as defined in 18 U.S.C. 1791(d)(1), include any objects that could jeopardize the Bureau's ability to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public.

(b) Examples of "prohibited objects" include, but are not limited to, the following items and their related paraphernalia: Weapons; explosives; drugs; intoxicants; currency; cameras of any type; recording equipment; telephones; radios; pagers; electronic devices; and any other objects that violate criminal laws or are prohibited by Federal regulations or Bureau policies.

**§ 511.13 Searches before entering, or while inside, a Bureau facility or Bureau grounds.**

Bureau staff may search you and your belongings (for example, bags, boxes, vehicles, containers in vehicles, jackets or coats, etc.) before entering, or while inside, any Bureau facilities or Bureau grounds, to keep out prohibited objects.

**§ 511.14 Notification of possible search.**

We display conspicuous notices at the entrance to all Bureau facilities, informing all non-inmates that they, and their belongings, are subject to search before entering, or while inside, Bureau facilities or grounds. Furthermore, these regulations and Bureau national and local policies provide additional notice that you and your belongings may be searched before entering, or while inside, Bureau facilities or grounds. By entering or attempting to enter a Bureau facility or Bureau grounds, non-inmates consent to being searched in accordance with these regulations and Bureau policy.

**§ 511.15 When searches will be conducted.**

You and your belongings may be searched, either randomly or based on reasonable suspicion, before entering, or while inside, a Bureau facility or Bureau grounds, as follows:

(a) *Random Searches.* This type of search may occur at any time, and is not based on any particular suspicion that a non-inmate is attempting to

bring a prohibited object into a Bureau facility or Bureau grounds.

(1) Random searches must be impartial and not discriminate among non-inmates on the basis of age, race, religion, national origin, or sex.

(2) Non-inmates will be given the option of either consenting to random searches as a condition of entry, or refusing such searches and leaving Bureau grounds. However, if a non-inmate refuses to submit to a random search and expresses an intent to leave Bureau grounds, he or she may still be required to be searched if "reasonable suspicion" exists as described in paragraph (b) of this section.

(b) *Reasonable Suspicion Searches.* Notwithstanding staff authority to conduct random searches, staff may also conduct *reasonable suspicion* searches to ensure the safety, security, and orderly operation of Bureau facilities, and protect the public. "Reasonable suspicion" exists if a staff member knows of facts and circumstances that warrant rational inferences by a person with correctional experience that a non-inmate may be engaged in, attempting, or about to engage in, criminal or other prohibited activity.

**§ 511.16 How searches will be conducted.**

You may be searched by any of the following methods before entering, or while inside, a Bureau facility or Bureau grounds:

(a) *Electronically.* (1) You and your belongings may be electronically searched for the presence of contraband, either randomly or upon reasonable suspicion.

(2) Examples of electronic searches include, but are not limited to, metal detectors and ion spectrometry devices.

(b) *Pat Search.* (1) You and your belongings may be pat searched either randomly or upon reasonable suspicion.

(2) A pat search of your person or belongings involves a staff member pressing his/her hands on your outer clothing, or the outer surface of your belongings, to determine whether prohibited objects are present.

(3) Whenever possible, pat searches of your person will be performed by staff members of the same sex. Pat searches
