

§811.4

28 CFR Ch. VIII (7–1–12 Edition)

and 8 of the Sex Offender Registration Act of 1999 (D.C. Official Code sections 22–4003, 4005, 4007) (relating to notice by the District of Columbia Superior Court, Department of Corrections, or CSOSA); 18 U.S.C. 4042(c) (relating to notice by Federal Bureau of Prisons and probation offices); 18 U.S.C. 3563(a)(8), 3583(d), 4209(a) (inclusion of registration requirements as conditions of release under federal law); 42 U.S.C. 14071(b)(1) (notice under federal law standards for state sex offender registration programs).

(b) In some cases, sex offenders may not be notified of their obligation to register. Lack of notice does not excuse a failure to register because sex offenders have an independent obligation to register. Persons who have been convicted or found not guilty by reason of insanity of a sex offense or who have been determined to be a sexual psychopath should report to CSOSA in order to ascertain whether they are required to register.

§811.4 Determination of the obligation to register and the length of registration.

(a) If the Superior Court finds that a person committed a registration offense, the Superior Court enters an order certifying that the person is a sex offender and that the person is subject to registration for a prescribed period of time (see §811.6).

(b) If a court order has not been entered certifying that a person is a sex offender and that the person is subject to registration for a prescribed period of time, CSOSA makes those determinations. CSOSA also determines the notification classification if the Court has not done so. Facts on which CSOSA's determination may be based include:

(1) The offense or offenses of conviction (or finding of not guilty by reason of insanity) or a determination that the person is a sexual psychopath;

(2) For certain offenses, facts that may not be apparent on the face of the conviction (or finding of not guilty by reason of insanity), such as:

- (i) the age of the victim;
- (ii) whether force was involved; or

(iii) whether the offense involved an undercover law enforcement officer who was believed to be an adult;

(3) Prior criminal history;

(4) For an offense committed in or prosecuted under the law of another jurisdiction, whether the offense involved conduct that was the same as or substantially similar to a District of Columbia registration offense; and

(5) The amount of time that has elapsed as computed under §811.6.

§811.5 Commencement of the obligation to register.

(a) A sex offender's obligation to register starts when the sex offender is found guilty or not guilty by reason of insanity of a registration offense or is determined to be a sexual psychopath. However, CSOSA may suspend registration requirements during any period of time in which a sex offender is detained, incarcerated, confined, civilly committed, or hospitalized in a secure facility.

(b) A sex offender must register if the sex offender is placed on probation, parole, supervised release, or convalescent leave, is conditionally or unconditionally released from a secure facility, is granted unaccompanied grounds privileges or other unaccompanied leave, absconds or escapes, is otherwise not detained, incarcerated, confined, civilly committed, or hospitalized in a secure facility, or enters the District of Columbia from another jurisdiction to live, reside, work, or attend school. Registration shall be effectuated as provided in §811.7 and may be carried out prior to the occurrence of a circumstance described in this paragraph, including the release of or granting of leave to a sex offender.

§811.6 Duration of the obligation to register.

(a) *Lifetime registration.* The registration period for a sex offender who is required to register for life shall end upon the sex offender's death.

(b) *Term of years registration.* (1) The registration period for any other sex offender shall end upon the expiration of the sex offender's probation, parole, supervised release, conditional release, or convalescent leave, or ten years
