§519.4

the Fair Labor Standards Act. The statutory definition is interpreted in part 780 of this chapter.

(e) *Student hours of employment.* Student hours of employment means hours during which students are employed under full-time student certificates issued under this part and is distinguished from *hours of employment of students*.

(f) *Employer.* Section 519.4 permits an agricultural or retail or service establishment employer to employ not more than six full-time students at subminimum wages on forwarding an application but before certification. For this purpose, the term *employer* looks to the highest structure of ownership or control, and hence may be more than a single retail or service establishment or farm, *e.g.*, the controlling conglomerate or enterprise would be the *employer*. With respect to public employers who operate retail or service establishments (see 29 CFR part 779), the *employer* means the highest structure of control such as the State, municipality, county or other political subdivision.

§519.3 Application for a full-time student certificate.

(a) Whenever the employment of full-time students working outside of school hours in agriculture or in a retail or service establishment at wages lower than the minimum applicable under section 6 of the Fair Labor Standards Act is believed to be necessary to prevent curtailment of opportunities for employment and employment of them will not create a substantial probability of reducing the full-time employment opportunities of the other workers, an application for a certificate may be filed by their employer with the appropriate Regional Office of the Wage and Hour Division (or the Denver, Colorado Area Office for Colorado, North Dakota, and South Dakota; the Salt Lake City, Utah area Office for Montana, Utah, and Wyoming; and the Caribbean Office for the area it covers). Such application shall be signed by an authorized representative of the employer.

(b) The application must be filed in duplicate on official forms or exact copies thereof. The forms are available at the offices mentioned in paragraph (a) of this section. The application must contain the information as to the type of products sold or services rendered by the establishment, hours of employment during the preceding twelve-month period or data from previous certificates (or applications) as pertinent to the application, and other information for which request is made on the form.

(c) Separate application must be made for each farm or establishment in which authority to employ full-time students at subminimum wage rates is sought.

(d) Application for renewal of a certificate shall be made either on the same type of form as is used for a new application or on an alternate official form. No certificate in effect shall expire until action on such an application shall have been finally determined, provided that such application has been properly executed, and is received by the office specified in paragraph (a) of this section not less than 15 nor more than 30 days prior to the expiration date. A properly executed application is one which fully and accurately contains the information required on the form, and the required certification by an authorized representative of the employer.

§519.4 Procedure for action upon an application.

(a) Under certain conditions, an agricultural or retail or service establishment employer may obtain temporary authorization to employ full-time students at subminimum wages. These conditions are: (1) Attestation by the employer that he/she will employ no more than six full-time students at subminimum wages on any workday and that the employment of such students will not reduce the full-time employment opportunities of other persons, and (2) forwarding a properly completed application to the Wage and Hour Division not later than the start of such employment, and (3) posting a notice of such filing at the place(s) specified in paragraph (a) of §519.6 of this subpart, and (4) compliance during
