of this section, FMCS shall include a written certification that:

- (1) The debtor owes the United States a debt, including the amount of the debt:
- (2) The FMCS has complied with the applicable statutes, regulations, and procedures of the Office of Personnel Management; and
- (3) The FMCS has complied with the requirements of §1450.10 of this subpart, including any required hearing or review.
- (c) Once FMCS decides to request adminstrative offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that the Office of Personnel Management may identify and "flag" the debtor's account in anticipation of the time when the debtor requests or become eligible to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor should be permitted to offer a satisfactory payment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.
- (d) If FMCS collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, FMCS shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.
- (e) This section does not require or authorize the Office of Personnel Management to review the merits of the FMCS determination with respect to the amount and validity of the debt, its determination as to waiver under an applicable statute, or its determination to provide or not provide a hearing.

§ 1450.12 Collection in installments.

(a) Whenever feasible, and except as otherwise provided by law, debts owed to the United States, together with interest, penalties, and administrative costs as required by this regulation should be collected in full in one lump sum. This is true whether the debt is

being collected by administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. FMCS will obtain financial statements from debtors who represent that they are unable to pay the debt in one lump sum. If FMCS agrees to accept payment in regular installments it will obtain a legally enforceable written agreement from the debtor which specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of installment payments should bear a reasonable relation to the size of the debt and the debtor's ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the Government's claim in not more than 3 years. Installment payments of less than \$50 per month will be accepted only if justifiable on the grounds of financial hardship or some other reasonable cause.

(b) If the debtor owes more than one debt and designates how a voluntary installment payment is to be applied as among those debts, that designation must be followed. If the debtor does not designate the application of the payment, FMCS will apply payments to various debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 1450.13 Exploration of compromise.

FMCS may attempt to effect compromise, preferably during the course of personal interviews, in accordance with the standards set forth in part 103 of the Federal Claims Collection Standards (4 CFR part 103).

§1450.14 Suspending or termination collection action.

The suspension or termination of collection action shall be made in accordance with the standards set forth in part 104 of the Federal Claims Collection Standards (4 CFR part 104).
