§ 553.41 What terms must I include in my OSFR evidence?
(a) Each instrument you submit as OSFR evidence must specify:
(1) The effective date, and except for a surety bond, the expiration date;
(2) That termination of the instrument will not affect the liability of the
issuer for claims arising from an incident (i.e., oil-spill discharge or substantial threat of the
discharge of oil) that occurred on or before the effective date of termination;
(3) That the instrument will remain in force until the termination date or
until the earlier of:
   (i) Thirty calendar days after BOEM and the designated applicant receive
   from the instrument issuer a notification of intent to cancel; or
   (ii) BOEM receives from the designated applicant other acceptable
   OSFR evidence; or
   (iii) All the COFs to which the instrument applies are permanently
   abandoned in compliance with 30 CFR part 250 or equivalent State require-
ments;
(4) That the instrument issuer agrees to direct action for claims made under
OPA up to the guaranty amount, subject to the defenses in paragraph (a)(6)
of this section and following the procedures in § 553.60 of this part;
(5) An agent in the United States for service of process; and
(6) That the instrument issuer will not use any defenses against a claim
made under OPA except:
   (i) The rights and defenses that would be available to a designated ap-
   plicant or responsible party for whom the guaranty was provided; and
   (ii) The incident (i.e., oil-spill discharge or a substantial threat of the
discharge of oil) leading to the claim for removal costs or damages was
caused by willful misconduct of a responsible party for whom the des-
ignated applicant demonstrated OSFR.
(b) You may not change, omit, or add limitations or exceptions to the terms
and conditions in a BOEM form that you submit as part of your OSFR
demonstration. If you attempt to do this, BOEM will disregard the changes,
omissions, additions, limitations, or exceptions and by operation of this
rule BOEM will consider the form to contain all the terms and conditions
included on the original BOEM form.
§ 553.42 How can I amend my list of COFs?
(a) If you want to add a COF that is not identified in your current OSFR
demonstration, you must submit to BOEM a completed Form BOEM–1022. If
applicable, you also must submit any additional indemnities, surety bonds,
insurance certificates, or other instruments required to extend the coverage
of your original OSFR demonstration to the COFs to be added. You do not
need to resubmit previously accepted audited annual financial statements
for the current fiscal year.
(b) If you want to drop a COF identified in your current OSFR demonstra-
tion, you must submit to BOEM a completed Form BOEM–1022. You must
continue to demonstrate OSFR for the COF until BOEM approves OSFR evi-
dence for the COF from another designated applicant, or OSFR is no
longer required (e.g., until a well that is a COF is properly plugged and aban-
donied).
§ 553.43 When is my OSFR demonstration or the amendment to my OSFR
demonstration effective?
(a) BOEM will notify you in writing when we approve your OSFR dem-
onstration. If we find that you have not submitted all the information needed
to demonstrate OSFR, we may require you to provide additional information
before we determine whether your OSFR evidence is acceptable.
(b) Except in the case of self-insurance or an indemnity, BOEM accept-
ce of OSFR evidence is valid until the surety bond, insurance certificate,
or other accepted OSFR instrument expires or is canceled. In the case of self-
insurance or indemnity, acceptance is valid until the first day of the 5th
month after the close of your or your indemnitor's current fiscal year.
