Office of Foreign Assets Control, Treasury

§ 538.513 Transactions related to mail authorized.

All transactions by U.S. persons, including payment and transfers to common carriers, incident to the receipt or transmission of mail between the United States and Sudan are authorized, provided that mail is limited to personal communications not involving a transfer of anything of value.

§ 538.512 Transactions related to telecommunications authorized.

All transactions with respect to the receipt and transmission of telecommunications involving Sudan are authorized. This section does not authorize the provision to the Government of Sudan or a person in Sudan of telecommunications equipment or technology.
