§ 634.13 Alcohol and drug abuse programs.

(a) Commanders will refer military personnel suspected of drug or alcohol abuse for evaluation in the following circumstances:

(1) Behavior indicative of alcohol or drug abuse.

(2) Continued inability to drive a motor vehicle safely because of alcohol or drug abuse.

(b) The commander will ensure military personnel are referred to the installation alcohol and drug abuse program or other comparable facilities when they are convicted of, or receive an official administrative action for, any offense involving driving under the influence. A first offender may be referred to treatment if evidence of substance abuse exists in addition to the offense of intoxicated driving. The provisions of this paragraph do not limit the commander’s prerogatives concerning other actions that may be taken against an offender under separate Service/Agency policies (Army, see AR 600–85. Marine Corps, see MCO P1700.24B).

(c) Active duty Army personnel apprehended for drunk driving, on or off the installation, will be referred to the local Army Substance Abuse Program (ASAP) for evaluation within 14 calendar days to determine if the person is dependent on alcohol or other drugs which will result in enrollment in treatment in accordance with AR 600–85. A copy of all reports on military personnel and DoD civilian employees apprehended for intoxicated driving will be forwarded to the installation alcohol and drug abuse facility.

(d) Active duty Navy personnel apprehended for drunk driving on or off the installation will be screened by the respective SARP facility within 14 calendar days to determine if the individual is dependent on alcohol or other drugs. Active duty Marines apprehended for intoxicated driving, on or off the installation, will be referred to interview by a Level II substance abuse counselor within 14 calendar days for evaluation and determination of the appropriate level of treatment required. Subsequent to this evaluation,
§ 634.14 Restoration of driving privileges upon acquittal of intoxicated driving.

The suspension of driving privileges for military and civilian personnel shall be restored if a final disposition indicates a finding of not guilty, charges are dismissed or reduced to an offense not amounting to intoxicated driving, or where an equivalent determination is made in a nonjudicial proceeding. The following are exceptions to the rule in which suspensions will continue to be enforced.

(a) The preliminary suspension was based on refusal to take a BAC test.

(b) The preliminary suspension resulted from a valid BAC test, (unless disposition of the charges was based on invalidity of the BAC test). In the case of a valid BAC test, the suspension will continue pending completion of a hearing as specified in § 634.11. In such instances, the individual will be notified in writing that the suspension will continue and of the opportunity to request a hearing within 14 calendar days.

(1) At the hearing, the arrest report, the commander’s report of official disposition, information presented by the individual, and such other information as the hearing officer may deem appropriate will be considered.

(2) If the hearing officer determines by a preponderance of evidence that the individual was engaged in intoxicated driving, the revocation will be for 1 year from the date of the original preliminary suspension.

(c) The person was driving or in physical control of a motor vehicle while under a preliminary suspension or revocation.
