§ 644.462

and extent of the legal obligation of the Government to restore. Payment will not be made for doubtful items; instead, the other party to the agreement will be advised of his right to submit a claim. On the other hand, every effort will be made to agree upon a reasonable settlement as to items for which the Government is legally responsible.

§ 644.460 Supplemental agreement assembly.

(a) *Composition.* Supplemental agreement assembly, covering agreement for settlement in lieu of restoration, will be composed of the following:

(1) Completed Notice of Termination.
(2) ENG Form 340 (Supplemental Agreement Accepting Proposed Restoration) or ENG Form 341 (Supplemental Agreement Transferring Improvements to Lessor).

(3) Lessor's notice requiring restoration, unless the lessor has signified that restoration is not required.

(4) Joint terminal survey and condition report.

(5) ENG Form 1440-R, or 1440A-R and 1440B-R.

(6) Estimated cost of restoration of leased personal property if not otherwise included.

(7) Statement of cost of any restoration actually performed by the Government.

(b) *Distribution.* An executed copy of the assembly will be retained by the DE. An executed copy of the supplemental agreement will be furnished the lessor. Conformed copies will be transmitted to the major command, the installation commander and, when monetary consideration is involved, to the appropriate finance and accounting office.

§ 644.461 Payment for restoration or settlement in lieu of restoration.

Voucher forms, appropriate to the circumstances, will be used in making payment of the settlement. Reference should be made on the voucher to the lease and supplemental agreement. The cost of restoration work performed directly by the Government, or by contract, or compensation in any settlement agreement in lieu of restoration, will be paid from funds available for

the payment of rental. The limitations of section 322 of the Economy Act of 1932, as amended (40 U.S.C. 278a and b), on the expenditure of funds for the alteration, improvement, or repair of leased premises to 25 percent of rent for the first year, are not applicable to costs of performing restoration work pursuant to obligations of the lease nor for payments of settlements in lieu thereof (20 Comp. Gen. 105).

§ 644.462 Performance of restoration work by district engineer—extension of time.

Where the lessor will not accept a cash settlement in lieu of restoration, or desires the work to be done by the Government, the restoration will be performed, without delay, directly or by contract, within the limitations outlined in this subpart. Any contract entered into for such work should provide for required restoration work to be performed on or before the determined effective date of termination of the lease. A complete record of the items of work performed and the costs thereof will be kept. If the lessor, prior to commencement of the work, is not agreeable to executing ENG Form 340, DA Supplemental Agreement Accepting Proposed Restoration, efforts will be made, upon completion of the work, to obtain a release on ENG Forms 232-R, or 231, or on ENG Form 341 in the event of a cash settlement for that part of the restoration not performed. Where the Government is obligated to perform restoration and remove improvements, and it cannot be accomplished by the Government prior to the effective date of termination, a supplemental agreement will be prepared, antedating the effective date of termination, for such periods as may be required to effect restoration and to remove improvements, if the lessor is unwilling to terminate the lease and rental thereunder, with the reservation that the Government will have a right upon the premises for the purpose of performing restoration, conducting sales of improvements thereon, or doing similar acts related to restoration.
