The Board shall transmit the finalized record of proceedings to proper naval authority for appropriate action. Similarly final decisions of the Board granting the applicant's request for relief under the authority delegated in § 723.6(e), shall also be forwarded to the proper naval authority for appropriate action.

(2) The Board shall transmit a copy of the record of proceedings to the proper naval authority for filing in the applicant's service record except where the effect of such action would be to nullify the relief granted. In such cases no reference to the Board's decision shall be made in the service record or files of the applicant and all copies of the record of proceedings and any related papers shall be forwarded to the Board and retained in a file maintained for this purpose.

(3) The addressees of such decisions shall report compliance therewith to the Executive Director.

§ 723.9 Reconsideration.

After final adjudication, further consideration will be granted only upon presentation by the applicant of new and material evidence or other matter not previously considered by the Board. New evidence is defined as evidence not previously considered by the Board and not reasonably available to the applicant at the time of the previous application. Evidence is material if it is likely to have a substantial effect on the outcome. All requests for further consideration will be initially screened by the Executive Director of the Board to determine whether new and material evidence or other matter (including, but not limited to, any factual allegations or arguments why the relief should be granted) has been submitted by the applicant. If such evidence or other matter has been submitted, the request shall be forwarded to the Board for a decision. If no such evidence or other matter has been submitted, the applicant will be informed that his/her request was not considered by the Board because it did not contain new and material evidence or other matter.
