or increase an endowment fund, it must comply with the provisions of §§ 628.3, 628.6, 628.10, and 628.41 through 628.47 of this chapter with regard to the use of those funds, except—

(1) The definition of the term “endowment fund income” in § 628.6 of this chapter does not apply. For the purposes of this paragraph (d), “endowment fund income” means an amount equal to the total value of the fund, including fund appreciation and retained interest and dividends, minus the endowment fund corpus;

(2) Instead of the requirement in § 628.10(a) of this chapter, the grantee institution must match each dollar of Federal grant funds used to establish or increase an endowment fund with one dollar of non-Federal funds; and

(3) Instead of the requirements in § 628.41(a)(3) through (a)(5) and the introductory text in § 628.41(b) and § 628.41(b)(2) and (b)(3) of this chapter, if a grantee institution decides to use any of its grant funds for endowment purposes, it must match those grant funds immediately with non-Federal funds when it places those funds into its endowment fund.

§ 606.12 What must be included in cooperative arrangement grant applications?

(a)(1) Institutions applying for a cooperative arrangement grant shall submit only one application for that grant regardless of the number of institutions participating in the cooperative arrangement.

(2) The application must include the names of each participating institution, the role of each institution, and the rationale for each eligible participating institution’s decision to request grant funds as part of a cooperative arrangement rather than as an individual grantee.

(b) If the application is for a development grant, the application must contain—

(1) Each participating institution’s comprehensive development plan;

(2) The information required under § 606.11; and

(3) An explanation from each eligible participating institution of why participation in a cooperative arrangement grant rather than performance under an individual grant will better enable it to meet the goals and objectives of its comprehensive development plan at a lower cost.
