

National Park Service, Interior

§4.11

are governed by State law. State law that is now or may later be in effect is adopted and made a part of the regulations in this part.

(b) Violating a provision of State law is prohibited.

§4.3 Authorized emergency vehicles.

(a) The operator of an authorized emergency vehicle, when responding to an emergency or when pursuing or apprehending an actual or suspected violator of the law, may:

- (1) Disregard traffic control devices;
- (2) Exceed the speed limit; and
- (3) Obstruct traffic.

(b) The provisions of paragraph (a) of this section do not relieve the operator from the duty to operate with due regard for the safety of persons and property.

§4.4 Report of motor vehicle accident.

(a) The operator of a motor vehicle involved in an accident resulting in property damage, personal injury or death shall report the accident to the superintendent as soon as practicable, but within 24 hours of the accident. If the operator is physically incapable of reporting the accident, an occupant of the vehicle shall report the accident to the superintendent.

(b) A person shall not tow or move a vehicle that has been involved in an accident without first notifying the superintendent unless the position of the vehicle constitutes a hazard or prior notification is not practicable, in which case notification shall be made before the vehicle is removed from the park area.

(c) Failure to comply with a reporting requirement specified in paragraph (a) or (b) of this section is prohibited.

(d) The notification requirements imposed by this section do not relieve the operator and occupants of a motor vehicle involved in an accident of the responsibility to satisfy reporting requirements imposed by State law.

§4.10 Travel on park roads and designated routes.

(a) Operating a motor vehicle is prohibited except on park roads, in parking areas and on routes and areas designated for off-road motor vehicle use.

(b) Routes and areas designated for off-road motor vehicle use shall be promulgated as special regulations. The designation of routes and areas shall comply with §1.5 of this chapter and E.O. 11644 (37 FR 2887). Routes and areas may be designated only in national recreation areas, national seashores, national lakeshores and national preserves.

(c) The following are prohibited:

(1) Operating a motor vehicle not equipped with pneumatic tires, except that a track-laying motor vehicle or a motor vehicle equipped with a similar traction device may be operated on a route designated for these vehicles by the superintendent.

(2) Operating a motor vehicle in a manner that causes unreasonable damage to the surface of a park road or route.

(3) Operating a motor vehicle on a route or area designated for off-road motor vehicle use, from ½ hour after sunset to ½ hour before sunrise, without activated headlights and taillights that meet the requirements of State law for operation on a State highway.

§4.11 Load, weight and size limits.

(a) Vehicle load, weight and size limits established by State law apply to a vehicle operated on a park road. However, the superintendent may designate more restrictive limits when appropriate for traffic safety or protection of the road surface. The superintendent may require a permit and establish conditions for the operation of a vehicle exceeding designated limits.

(b) The following are prohibited:

(1) Operating a vehicle that exceeds a load, weight or size limit designated by the superintendent.

(2) Failing to obtain a permit when required.

(3) Violating a term or condition of a permit.

(4) Operating a motor vehicle with an auxiliary detachable side mirror that extends more than 10 inches beyond the side fender line except when the motor vehicle is towing a second vehicle.

(c) Violating a term or condition of a permit may also result in the suspension or revocation of the permit by the superintendent.
