

§ 51.80 How will the Director establish franchise fees for multiple outfitter and guide concession contracts in the same park area?

If the Director awards more than one outfitter and guide concession contract that authorizes or requires the concessioners to provide the same or similar visitor services at the same approximate location or utilizing the same resource within a single park area, the Director will establish franchise fees for those concession contracts that are comparable. In establishing these comparable franchise fees, the Director will take into account, as appropriate, variations in the nature and type of visitor services authorized by particular concession contracts, including, but not limited to, length of the visitor experience, type of equipment utilized, relative expense levels, and other relevant factors. The terms and conditions of an existing concession contract will not be subject to modification or open to renegotiation by the Director because of the award of a new concession contract at the same approximate location or utilizing the same resource.

§ 51.81 May the Director include “special account” provisions in concession contracts?

(a) The Director may not include in concession contracts “special account” provisions, that is, contract provisions which require or authorize a concessioner to undertake with a specified percentage of the concessioner’s gross receipts the construction of real property improvements, including, without limitation, capital improvements on park lands. The construction of capital improvements will be undertaken only pursuant to the leasehold surrender interest provisions of this part and the applicable concession contract.

(b) Concession contracts may contain provisions that require the concessioner to set aside a percentage of its gross receipts or other funds in a repair and maintenance reserve to be used at the direction of the Director solely for maintenance and repair of real property improvements located in park areas and utilized by the concessioner in its operations. Repair and maintenance reserve funds may not be ex-

pended to construct real property improvements, including, without limitation, capital improvements. Repair and maintenance reserve provisions may not be included in concession contracts in lieu of a franchise fee, and funds from the reserves will be expended only for the repair and maintenance of real property improvements assigned to the concessioner by the Director for use in its operations.

(c) A concession contract must require the concessioner to maintain in good condition through a comprehensive repair and maintenance program all of the concessioner’s personal property used in the performance of the concession contract and all real property improvements, including, without limitation, capital improvements, and, government personal property, assigned to the concessioner by a concession contract.

§ 51.82 Are a concessioner’s rates required to be reasonable and subject to approval by the Director?

(a) Concession contracts will permit the concessioner to set reasonable and appropriate rates and charges for visitor services provided to the public, subject to approval by the Director.

(b) Unless otherwise provided in a concession contract, the reasonableness of a concessioner’s rates and charges to the public will be determined primarily by comparison with those rates and charges for facilities and services of comparable character under similar conditions, with due consideration of the following factors and other factors deemed relevant by the Director: Length of season; peakloads; average percentage of occupancy; accessibility; availability and costs of labor and materials; and types of patronage. Such rates and charges may not exceed the market rates and charges for comparable facilities, goods, and services, after taking these factors into consideration.
