§ 1254.82 What limitations apply to my use of self-service card-operated copiers?

(a) There is a 5-minute time limit on copiers in research rooms when others are waiting to use the copier. If you use a microfilm reader-printer, we may limit you to three copies when others are waiting to use the machine. If you wish to copy large quantities of documents, you should see a staff member in the research room to reserve a copier for an extended time period.

(b) If we must cancel an appointment due to copier failure, we make every effort to schedule a new mutually agreed-upon time. However, we do not displace researchers whose appointments are not affected by the copier failure.

§ 1254.84 How may I use a debit card for copiers in the Washington, DC, area?

Your research identification card can be used as a debit card if you arrange with the Cashier’s Office to set up an account using cash, check, money order, debit card, or credit card. Your researcher identification card number as encoded on the card forms the basis of your account in the debit system. You may also purchase generic debit cards of values up to $20 each from the Cashier’s Office using any of the above payment methods. When the Cashier’s Office is closed or at any other time during the hours research rooms are open as cited in part 1253 of this chapter, you may use cash or credit card to purchase a debit card from the vending machines located in the research rooms. Inserting the debit card into a card reader connected to the copier enables you to make copies for the appropriate fee, which are found in § 1258.12 of this chapter. You can add value to your card using the vending machine in the research room or at the Cashier’s Office. We do not make refunds.

§ 1254.86 May I use a personal paper-to-paper copier at the National Archives at College Park?

(a) At the National Archives at College Park facility NARA approves a limited number of researchers to bring in and use personal paper-to-paper copying equipment in the Textual Research Room (Room 2000). Requests must be made in writing to the chief of the Research Support Branch (NWCC2), National Archives and Records Administration, 8601 Adelphi Rd., College Park, MD 20740–6001. Requests must identify the records you wish to copy, the expected duration of the project, and the make and model of the equipment.

(b) We evaluate requests using the following criteria:

(1) A minimum of 3,000 pages must be copied;
(2) The project is expected to take at least 4 weeks, with the copier in use a minimum of 6 hours per day or 30 hours per week;
(3) The copying equipment must meet our standards for preservation (see §§ 1254.26(d) and 1254.80); and
(4) Space is available for the personal copying project. NARA allows no more than 3 personal copying projects in the research room at one time, with Federal agencies given priority over other users.

(c) You must coordinate with research room management and oversee the installation and removal of copying equipment. You are responsible for the cost and supervision of all service calls and repairs. You must remove copying equipment and supplies within two business days after the personal copying project is completed.

(d) NARA is not responsible for any personal equipment or consumable supplies.

(e) You must be trained by NARA staff on the proper methods for handling and copying archival documents.

(f) You must abide by all regulations on copying stated in this subpart.

(g) We reserve the right to discontinue the privilege of using a personal copier at any time without notice. We discontinue your privilege if you violate one of the conditions in this subpart, we need to provide space for a Federal agency, or we lack staff to supervise the area.

(h) The collection of information contained in this section has been approved by the Office of Management.
