§ 7.21 Subsequent designation.

(a) A subsequent designation may be filed directly with the International Bureau, or, if it meets the requirements of paragraph (b) of this section, submitted through the Office.

(b) The Office will grant a date of receipt to a subsequent designation that is either filed through TEAS, or typed on the official paper form issued by the International Bureau. The subsequent designation must contain all of the following:

(1) The international registration number;
(2) The serial number of the U.S. application or registration number of the U.S. registration that formed the basis of the international registration;
(3) The name and address of the holder of the international registration;
(4) A statement that the holder is entitled to file a subsequent designation in the Office, specifying that holder: Is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. Where a holder’s address is not in the United States, the holder must provide the address of its U.S. domicile or establishment;
(5) A list of goods and/or services that is identical to or narrower than the list of goods and/or services in the international registration;

§ 7.14 Correcting irregularities in international application.

(a) Response period. Upon receipt of a notice of irregularities in an international application from the International Bureau, the applicant must respond to the International Bureau within the period set forth in the notice.

(b) Classification and Identification of Goods and Services. Responses to International Bureau notices of irregularities in the classification or identification of goods or services in an international application must be submitted through the Office for forwarding to the International Bureau. The Office will review an applicant’s response to a notice of irregularities in the identification of goods or services to ensure that the response does not identify goods or services that are broader than the scope of the goods or services in the basic application or registration.

(c) Fees. If the International Bureau notice of irregularities requires the payment of fees, the fees for correcting irregularities in the international application must be paid directly to the International Bureau.

(d) Other Irregularities Requiring Response from Applicant. Except for responses to irregularities mentioned in paragraph (b) of this section and payment of fees for correcting irregularities mentioned in paragraph (c) of this section, all other responses may be submitted through the Office in accordance with §7.14(e), or filed directly at the International Bureau. The Office will forward timely responses to the International Bureau, but will not review the responses or respond to any irregularities on behalf of the international applicant.

(e) Procedure for response. To be considered timely, a response must be received by the International Bureau before the end of the response period set forth in the International Bureau’s notice. Receipt in the Office does not fulfill this requirement. Any response submitted through the Office for forwarding to the International Bureau should be submitted as soon as possible, but at least one month before the end of the response period in the International Bureau’s notice. The Office will not process any response received in the Office after the International Bureau’s response deadline.

§ 7.22 Recording changes to international registration.

Except as provided in §§ 7.23 and 7.24, requests to record changes to an international registration must be filed with the International Bureau. If a request to record an assignment or restriction of a holder’s right of disposal of an international registration or the release of such a restriction meets the requirements of § 7.23 or 7.24, the Office will forward the request to the International Bureau. Section 10 of the Act and part 3 of this chapter are not applicable to assignments or restrictions of international registrations.

§ 7.23 Requests for recording assignments at the International Bureau.

A request to record an assignment of an international registration may be submitted through the Office for forwarding to the International Bureau only if the assignee cannot obtain the assignor’s signature for the request to record the assignment.

(2) The name and address of the holder of the international registration;

(3) The name and address of the assignee of the international registration;

(4) A statement that the assignee: Is a national of the United States; has a domicile in the United States; or has a real and effective industrial or commercial establishment in the United States. (5) A statement that the assignee could not obtain the assignor’s signature for the request to record the assignment;

(6) An indication that the assignment applies to the designation to the United States;

(b) If a request to record an assignment contains all the elements set forth in paragraph (a) of this section, the Office will forward the request to the International Bureau. Forwarding the request to the International Bureau is not a determination by the Office of the validity of the assignment or the effect that the assignment has on the title of the international registration.
