

§ 1.520

the release of such names and addresses to the organization requesting them.

(c) The Associate Deputy Assistant Secretary for Information Resources Management, with the concurrence of the General Counsel, is authorized to release lists of names and addresses to organizations which have applied for such lists in accordance with paragraph (a) of this section if he or she finds that the purpose for which the organization desires the names and addresses is directly connected with the conduct of programs and the utilization of benefits under title 38 U.S.C. Lists of names and addresses authorized to be released pursuant to this paragraph shall not duplicate lists released to other elements, segments, or chapters of the same organization.

(d) If the list requested is one that the Department of Veterans Affairs has previously compiled or created, in the same format, to carry out one or more of its basic program responsibilities and it is determined that it can be released, the list may be furnished without charge. For other types of lists, a charge will be made in accordance with the provisions of §1.526.

(e) Upon denial of a request, the Department of Veterans Affairs Controller or Regional Office Director will inform the requester in writing of the denial and the reasons therefor and advise the organization that it may appeal the denial to the General Counsel. In each instance of a denial of a request, the denial and the reasons therefor will be made a matter of record.

(f) Section 5701(f), title 38 U.S.C., provides that any organization, or member thereof, which uses the names and addresses furnished it for any purpose other than one directly connected with the conduct of programs and the utilization of benefits under title 38 U.S.C., shall be fined not more than \$500 in the case of the first offense and not more than \$5,000 in the case of the subsequent offenses. Any instance in which there is evidence of a violation of these penal provisions will be reported in accordance with §14.560.

§ 1.520 Confidentiality of social data.

Persons having access to social data will be conscious of the fact that the family, acquaintances, and even the veteran have been willing to reveal these data only on the promise that they will be held in complete confidence. There will be avoided direct, ill-considered references which may jeopardize the personal safety of these individuals and the relationship existing among them, the patient, and the social worker, or may destroy their mutual confidence and influence, rendering it impossible to secure further cooperation from these individuals and agencies. Physicians in talking with beneficiaries will not quote these data directly but will regard them as indicating possible directions toward which they may wish to guide the patient's self-revelations without reproaching the patient for his or her behavior or arousing natural curiosity or suspicion regarding any informant's statement. The representatives of service organizations and duly authorized representatives of veterans will be especially cautioned as to their grave responsibility in this connection.

[46 FR 62059, Dec. 22, 1981]

§ 1.521 Special restrictions concerning social security records.

Information received from the Social Security Administration may be filed in the veteran's claims folder without special provisions. Such information will be deemed privileged and may not be released by the Department of Veterans Affairs except that information concerning the amount of social security benefits paid to a claimant or the amount of social security tax contributions made by the claimant may be disclosed to the claimant or his or her duly authorized representative. Any request from outside the Department of Veterans Affairs for other social security information will be referred to the Social Security Administration for such action as they deem proper.
