

§ 14.517

38 CFR Ch. I (7-1-12 Edition)

escheat provisions of 38 U.S.C. 5502(e), the gifts provisions of 38 U.S.C. ch. 83 or the General Post Fund provisions of 38 U.S.C. ch. 85, the Regional Counsel will endeavor to obtain possession of such assets or property in any manner appropriate under local procedure and practice, other than litigation. This procedure would include exploratory inquiry of the person having custody or possession of the assets or property for the purpose of determining whether the person would be willing to turn over the property to the Department of Veterans Affairs without litigation. If unsuccessful in this effort, a complete report will be submitted by the Regional Counsel to the General Counsel so that appropriate action may be taken to obtain the assistance of the Department of Justice in the matter.

§ 14.517 Cases affecting the Department of Veterans Affairs generally.

Regional Counsels will establish and maintain such close liaison with the State and Federal courts as to insure that notice will be afforded the Department of Veterans Affairs on all cases affecting the Department of Veterans Affairs. Such information will be forwarded to the General Counsel promptly in every case.

[42 FR 41411, Aug. 17, 1977]

§ 14.518 Litigation involving beneficiaries in custody of Department of Veterans Affairs employees acting in official capacity.

(a) *Service of process generally.* An employee, at a field facility, served with a writ of habeas corpus involving a beneficiary of the Department of Veterans Affairs in the employee's custody will immediately notify the Regional Counsel of the region in addition to taking such steps as in his or her judgment are necessary for self protection.

(b) *Habeas corpus writs.* (1) If a Director of a Department of Veterans Affairs hospital concerned advises that, according, to current medical opinion, hospitalization is necessary for the veteran's safety or the safety of others, the Regional Counsel will vigorously oppose the writ at the trial court level. If the writ is granted, no further action

will be taken unless so instructed by the General Counsel.

(2) If the medical opinion is that hospitalization is not required for the veteran's safety or the safety of others but continued treatment is clearly indicated in the veteran's interest, the Regional Counsel will assure that the court issuing the writ is so informed and will abide by the court's decision.

(3) If the medical opinion is that there is no danger of self injury to the veteran or others and the need for continued treatment is not clearly demonstrated, the Regional Counsel will advise the Director of the hospital concerned that the veteran should be released and will notify the veteran's attorney of the planned discharge. These cases will be handled informally to the extent practicable.

(4) Involuntary confinement of mentally ill patients in Department of Veterans Affairs installations is predicated upon the law of the State in which the installation is located. In the event the writ is filed in Federal Court, the Regional Counsel will cooperate with the U.S. Attorney to the end that the case is removed to the appropriate State court.

PROSECUTION

§ 14.560 Procedure where violation of penal statutes is involved including those offenses coming within the purview of the Assimilative Crime Act (18 U.S.C. 13).

The Department of Justice, or the U.S. Attorneys, are charged with the duty and responsibility of interpreting and enforcing criminal statutes, and the final determination as to whether the evidence in any case is sufficient to warrant prosecution is a matter solely for their determination. If the Department of Justice or U.S. Attorney decides to initiate action, the Regional Counsel will cooperate as may be requested. The Regional Counsel will promptly bring to the attention of the General Counsel any case wherein he or she is of the opinion that criminal or civil action should be initiated notwithstanding a decision by the U.S. Attorney not to bring such action; any

§ 14.561 Administrative action prior to submission.

Before a submission is made to the U.S. Attorney in cases involving personnel or claims, the General Counsel, if the file is in Central Office, or the Regional Counsel at the regional office, hospital or center, if the file is in the regional office or other field facility, will first ascertain that necessary administrative or adjudicatory (forfeiture (see Pub. L. 86-222; 73 Stat. 452), etc.), action has been taken; except that in urgent cases such as breaches of the peace, disorderly conduct, trespass, robbery, or where the evidence may be lost by delay, or prosecution barred by the statute of limitations, submission to the U.S. Attorney will be made immediately.

[42 FR 41413, Aug. 17, 1977]

§ 14.562 Collections or adjustments.

When it is determined that a submission is to be made to the U.S. Attorney, no demand for payment or adjustment will be made without the advice of the U.S. Attorney. However, if, before or after submission, the potential defendant or other person tenders payment of the liability to the United States, payment will be accepted if the U.S. Attorney has no objection. If the U.S. Attorney determines that prosecution is not indicated, or when prosecution has ended, the file will be returned to the appropriate office with a report as to the action taken.
