may be made to one heir upon unconditional written consent of all other heirs.

(5) *Entitlement under § 3.1600(b)(3)*. In addition to the other evidentiary requirements of this subparagraph, there must be written certification over the signature of a responsible official of the State (or political subdivision of the State) where the body was held that—

(i) There is no next of kin or other person claiming the body of the deceased veteran, and

(ii) There are not available sufficient resources in the veteran's estate to cover burial and funeral expenses.

§ 3.1602 Special conditions governing payments.

(a) *Two or more persons expended funds*. If two or more persons have paid from their personal funds toward the burial, funeral, plot, interment and transportation expenses, the burial and plot or interment allowance will be divided among such persons in accordance with the proportionate share paid by each, unless waiver is executed in favor of one of such persons by the other person or persons involved. The person in whose favor payment is waived will not be allowed a sum greater than that which was paid by such person. (See § 3.1601(a)(3).)

(b) *Person who performed services*. A person who performed burial, funeral, and transportation services or furnished the burial plot will have priority over claims of persons whose personal funds were expended.

(c) *Partial payment*. Where partial payment of the expenses of the burial, funeral and transportation of the body are made from funds of the veteran's estate and the balance from the personal funds of another person, the claim of the other person has priority.

(d) *Escheat*. No payment of burial allowance or plot or interment allowance will be made where it would escheat.

§ 3.1603 Authority for burial of certain unclaimed bodies.

If the body of a deceased veteran is unclaimed, there being no relatives or friends to claim the body, and there is burial allowance entitlement which is not based on § 3.1600(b)(3), the amount provided for burial and plot or interment allowance will be available for the burial upon receipt of a claim accompanied by a statement showing what efforts were made to locate relatives or friends. The question of escheat of any part of such deceased veteran's estate is not a factor in such a claim. Burial allowance may be authorized for cost of disinterment and reburial of unclaimed remains originally accorded pauper burial but not for initial expenses of a burial in a potter's field. Burial in a prison cemetery is not considered a pauper burial.

§ 3.1604 Payments from non-Department of Veterans Affairs sources.

(a) *Contributions or payments by public or private organizations*. When contributions or payments on the burial expenses have been made by a state, any agency or political subdivision of the United States or of a State or the employer of the deceased veteran only the difference between the entire burial expenses and the amount paid thereon by any of these agencies or organizations, not to exceed the applicable statutory burial allowance, will be authorized. Contributions or payments by any other public or private organization such as a lodge, union, fraternal or beneficial organization, society, burial association or insurance company, will bar payment of the burial allowance if such allowance would revert to the funds of such organization or would discharge such organization's obligation without payment.

(Authority: 38 U.S.C. 2302; 2307)

(1) A contract or policy which provides for payment at death of a specified amount to a designated beneficiary other than the person rendering burial and funeral services will not bar payment of the burial allowance to the

Department of Veterans Affairs

beneficiary even though the organization issuing the contract or policy retains an option to make payment direct to the person rendering burial and funeral services.

(2) The provisions of this paragraph do not apply to contributions or payments on the burial and funeral expenses which are made for humanitarian reasons if the organization making the contribution or payment is under no legal obligation to do so.

(b) *Payment by Federal agency.* (1) Where a veteran dies while in employment covered by the United States Employees' Compensation Act, as amended, or other similar laws specifically providing for payment of the expenses of funeral, transportation, and interment out of Federal funds, burial allowance will not be authorized by the Department of Veterans Affairs.

(2) A provision in any Federal law or regulation permitting the application of funds due or accrued to the credit of the deceased toward the expenses of funeral, transportation and interment (such as Social Security benefits), as distinguished from a provision specifically prescribing a definite allowance for such purpose, will not bar payment of the burial allowance. In such cases only the difference between the total burial expense and the amount paid thereon under such provision, not to exceed the amount specified in 38 U.S.C. 2302, will be authorized.

(Authority: 38 U.S.C. 2302(b))

(3) Burial allowance is not payable for deaths in active service, or during the duty periods set forth in § 3.6, or for other deaths where the cost of burial and transportation is paid by the service department.

(c) *Payment of plot or interment allowance by public or private organization except as provided for by § 3.1604(d).* Where any part of the plot or interment expenses has been paid or assumed by a state, any agency or political subdivision of a State, or the employer of the deceased veteran, only the difference between the total amount of such expenses and the amount paid or assumed by any of these agencies or organizations, not to exceed the statutory plot

or interment allowance, will be authorized.

(Authority: 38 U.S.C. 2303(b)(1))

(d) *Payment of the plot or interment allowance to a State or political subdivision thereof—(1) Conditions warranting payment.* All of the following conditions must be met:

(i) The plot or interment allowance is payable based on the deceased veteran's eligibility for burial in a national cemetery (or, in claims filed prior to December 16, 2003, the deceased veteran's service). See § 38.620 of this chapter.

(ii) The deceased veteran is buried in a cemetery or a section thereof which is used solely for the interment of persons who are eligible for burial in a national cemetery or who, with respect to persons dying on or after November 1, 2000, were at the time of death members of a reserve component of the Armed Forces not otherwise eligible for such burial or were former members of such a reserve component not otherwise eligible for such burial who were discharged or released from service under conditions other than dishonorable.

(iii) The cemetery or the section thereof where the veteran is buried is owned by the State, or an agency or political subdivision of the State claiming the plot or interment allowance.

(iv) No charge is made by the State, or an agency or political subdivision of the State for the cost of the plot or interment.

(v) The veteran was buried on or after October 1, 1978.

(2) *Claims.* A claim for payment under this paragraph shall be executed by a State, or an agency or political subdivision of a state on a claim form prescribed by the Department of Veterans Affairs.

(3) *Amount of the allowance.* A State or an agency or political subdivision of a state entitled to payment under this paragraph shall be paid the maximum statutory amount as a plot or interment allowance without regard to the actual cost of the plot or interment.

§ 3.1605

38 CFR Ch. I (7-1-12 Edition)

(4) *Priority of payment.* A claim filed under this paragraph shall take precedence in payment of the plot or interment allowance over any claim filed for the plot or interment allowance under § 3.1601(a)(2).

(Authority: 38 U.S.C. 2303(b))

(5) A plot or interment allowance may be paid to a state in addition to a burial allowance under § 3.1600(a) for claims filed on or after December 16, 2003.

§ 3.1605 Death while traveling under prior authorization or while hospitalized by the Department of Veterans Affairs.

An amount may be paid not to exceed the amount payable under § 3.1600 for the funeral, burial, plot, or interment expenses of a person who dies while in a hospital, domiciliary, or nursing home to which he or she was properly admitted under authority of the Department of Veterans Affairs. (See § 3.1600(c)). In addition, the cost of transporting the body to the place of burial may be authorized. The amount payable under this section is subject to the limitations set forth in paragraph (b) of this section, and §§ 3.1604 and 3.1606.

(a) *Death enroute.* When a veteran while traveling under proper prior authorization and at Department of Veterans Affairs expense to or from a specified place for the purpose of:

- (1) Examination; or
- (2) Treatment; or
- (3) Care

dies enroute, burial, funeral, plot, interment, and transportation expenses will be allowed as though death occurred while properly hospitalized by the Department of Veterans Affairs. Hospitalization in the Philippines under 38 U.S.C. 631, 632, and 633 does not meet the requirements of this section.

(b) *Transportation.* Except for retired persons hospitalized under section 5 of Executive Order 10122 (15 FR 2173; 3 CFR 1950 Supp.) issued pursuant to

Pub. L. 351, 81st Congress, and not as Department of Veterans Affairs beneficiaries, the cost of transportation of the body to the place of burial in addition to the burial and plot or interment allowance will be provided by the Department of Veterans Affairs where death occurs:

(1) Within a State or the Canal Zone (38 U.S.C. 101 (20)) while the veteran is hospitalized by the Department of Veterans Affairs and the body is buried in a State or the Canal Zone; or

(2) While hospitalized within but burial is to be outside of a State or the Canal Zone, except that cost of transportation of the body will be authorized only from place of death to port of embarkation, or to border limits of United States where burial is in Canada or Mexico.

(c) *Extended entitlement.* Entitlement extends to the following persons who die while properly hospitalized by the Department of Veterans Affairs:

(1) Discharged or rejected draftees; or

(2) Members of the National Guard who reported to camp in answer to the President's call for World War I, World War II, or Korean service, but who when medically examined were not finally accepted for active military service; or

(3) A veteran discharged under conditions other than dishonorable from a period of service other than a war period.

(d) *Persons properly hospitalized.* A person properly hospitalized who dies:

(1) While on authorized absence which has not exceeded 96 hours at time of death;

(2) While in a status of unauthorized absence for a period not in excess of 24 hours; or

(3) While absent from the hospital for a period totaling 24 hours of combined authorized and unauthorized absence (all other cases in which such absence arises at the expiration of an authorized absence are not included);

is considered as having died while hospitalized.
