§ 3.652 Periodic certification of continued eligibility.

Except as otherwise provided:

(a) Individuals to whom benefits are being paid are required to certify, when requested, that any or all of the eligibility factors which established entitlement to the benefit being paid continue to exist. The beneficiary will be

advised at the time of the request that the certification must be furnished within 60 days from the date of the request therefor and that failure to do so will result in the reduction or termination of benefits.

(1) If the certification is not received within 60 days from the date of the request, the eligibility factor(s) for which certification was requested will be considered to have ceased to exist as of the end of the month in which it was last shown by the evidence of record to have existed. For purposes of this paragraph, the effective date of reduction or termination of benefits will be in accordance with §§ 3.500 through 3.504 as in effect on the date the eligibility factor(s) is considered to have ceased to exist. The claimant will be advised of the proposed reduction or termination of benefits and the date the proposed action will be effective. An additional 60 days from the date of notice of the proposed action will be provided for the claimant to respond.

(2) If the certification is not received within the additional 60 day period, the proposed reduction or termination of benefits will be put into effect.

(b) When the required certification is received, benefits will be adjusted, if necessary, in accordance with the facts found.

account in the Treasury or covered into the Treasury as miscellaneous receipts under 31 U.S.C. 123-128 will be paid to him or her on the filing of a new claim. Such claim should be supported with evidence that the alien has not been guilty of mutiny, treason, sabotage or rendering assistance to an enemy, as provided in § 3.902(a).

(Authority: 38 U.S.C. 5309)

(c) *Treasury Department list.* This paragraph is applicable to claims for benefits for aliens residing in countries identified on the list established by the Secretary of the Treasury as countries to which checks could not be delivered with reasonable assurance that the payee would actually receive and be able to negotiate a check for full value.

(1) *Evidence requests.* Requests for evidence to establish either basic or continued entitlement will not be made where such evidence would be obtained from a country on the Treasury Department list unless the claimant requests that checks be sent to him or her in care of a U.S. Foreign Service post in a country which is not on the list.

(2) *Awards.* Payments for a claimant residing in a country included in the Treasury Department list will not be authorized unless the claimant requests that checks be sent to him or her in care of a U.S. Foreign Service post in a country which is not on the list.

(3) *Retroactive payments.* Where award action is authorized under paragraph (c)(2) of this section, or a new claim has been filed after a country has been removed from the Treasury Department list, all benefits to which the payee is otherwise entitled will be paid as provided in paragraph (b) of this section. There is no time limit for filing claim.

(d) *Germany and Japan.* Where payments were discontinued before July 1, 1954, because the payee was a citizen or subject of Germany or Japan, no payments will be made for any period prior to the date of filing a new claim.

[26 FR 1599, Feb. 24, 1961, as amended at 31 FR 13172, Oct. 12, 1966; 47 FR 24551, June 7, 1982]

§ 3.654 Active service pay.

(a) *General.* Pension, compensation, or retirement pay will be discontinued under the circumstances stated in § 3.700(a)(1) for any period for which the veteran received active service pay. For the purposes of this section, active service pay means pay received for active duty, active duty for training or inactive duty training.

(b) *Active duty.* (1) Where the veteran returns to active duty status, the award will be discontinued effective the day preceding reentrance into active duty status. If the exact date is not known, payments will be discontinued effective date of last payment and as of the correct date when the date of reentrance has been ascertained from the service department.

(2) Payments, if otherwise in order, will be resumed effective the day following release from active duty if claim for recommencement of payments is received within 1 year from the date of such release; otherwise payments will be resumed effective 1 year prior to the date of receipt of a new claim. Prior determinations of service connection will not be disturbed except as provided in § 3.105. Compensation will be authorized based on the degree of disability found to exist at the time the award is resumed. Disability will be evaluated on the basis of all facts, including records from the service department relating to the most recent period of active service. If a disability is incurred or aggravated in the second period of service, compensation for that disability cannot be paid unless a claim therefor is filed.

(c) *Training duty.* Prospective adjustment of awards may be made where the veteran waives his or her Department of Veterans Affairs benefit covering anticipated receipt of active service pay because of expected periods of active duty for training or inactive duty training. Where readjustment is in order because service pay was not received for expected training duty, retroactive payments may be authorized if a claim for readjustment is received within 1 year after the end of the fiscal year for which payments were waived.
