§ 18.447

use or study, or other devices or services of a personal nature.

[45 FR 63268, Sept. 24, 1980, as amended at 68 FR 51370, Aug. 26, 2003]

§ 18.445 Housing.

(a) *Housing provided by a recipient.* A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to qualified handicapped students at the same cost as to others. At the end of the transition period provided for in § 18.422(e), this housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 18.446 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped persons, a recipient may not:

(i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate; or

(ii) Assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that these employment opportunities, as a whole, are made available in a manner that would not violate §§ 18.411 through 18.414 if the opportunities were provided by the recipient.

(c) *Employment of students by recipients.* A recipient that employs any of its students may not do so in a manner that violates §§ 18.411 through 18.414.

§ 18.447 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 18.443(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to

fraternities, sororities, or similar organizations shall assure itself that the membership practices of these organizations do not permit discrimination otherwise prohibited by §§ 18.441 through 18.447.

[45 FR 63268, Sept. 24, 1980, as amended at 68 FR 51370, Aug. 26, 2003]

§ 18.452 Health and other social services.

(a) *General.* In providing health, or other social services or benefits, a recipient may not, on the basis of handicap:

(1) Deny a qualified handicapped person these benefits or services;

(2) Give a qualified handicapped person the opportunity to receive benefits or services that are not equal to those offered nonhandicapped persons.

(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 18.404(b)(2)) as the benefits or services provided to others;

(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or

(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

(b) *Notice.* A recipient that provides notice concerning benefits or services or written material concerning waivers of rights of consent to treatment shall ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(c) *Emergency treatment for the hearing impaired.* A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency care.

(d) *Auxiliary aids.* (1) A recipient that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to give these persons an equal opportunity to benefit from the service in question.

(2) The Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.

(3) Auxiliary aids may include brailled and taped material, interpreters, and aids for persons with impaired hearing or vision.

§ 18.453 Drug and alcohol addicts.

A recipient that operates a general hospital or outpatient facility may not discriminate, with regard to a drug or alcohol abuser or alcoholic who is suffering from a medical condition, in the admission of that person for treatment of the medical condition, or in the treatment of the medical condition because of the person's drug or alcohol abuse or alcoholism.

§ 18.454 Education of institutionalized persons.

A recipient that operates or supervises a program or activity that provides aid, benefits, or services for persons who are institutionalized because of handicap and is responsible for providing training shall ensure that each qualified handicapped person, as defined in § 18.403(k)(2), in its program or activity that provides aid, benefits, or services is provided an appropriate education, as defined in § 18.433(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under §§ 18.431 through 18.439.
