(b) Destroy Government-owned improvements and related personal property located on Government-owned land (abandonment of such property is not authorized); or

(c) Donate to public bodies any Government-owned real property (land and/or improvements and related personal property), or interests therein.

### DAINGEROUS PROPERTY

#### **§ 102-75.995 May Federal agencies dispose of dangerous property?**

No, property that is dangerous to public health or safety must be made harmless or have adequate safeguards in place before it can be abandoned, destroyed, or donated to public bodies.

### DETERMINATIONS

#### **§ 102-75.1000 How is the decision made to abandon, destroy, or donate property?**

No property shall be abandoned, destroyed, or donated by a Federal agency under § 102-75.990, unless a duly authorized official of that agency determines, in writing, that—

(a) The property has no commercial value; or

(b) The estimated cost of its continued care and handling exceeds the estimated proceeds from its sale.

#### **§ 102-75.1005 Who can make the determination within the Federal agency on whether a property can be abandoned, destroyed, or donated?**

Only a duly authorized official of that agency not directly accountable for the subject property can make the determination.

#### **§ 102-75.1010 When is a reviewing authority required to approve the determination concerning a property that is to be abandoned, destroyed, or donated?**

A reviewing authority must approve determinations made under § 102-75.1000 before any such disposal, whenever all the property proposed to be disposed of by a Federal agency has a current estimated fair market value of more than \$50,000.

### RESTRICTIONS

#### **§ 102-75.1015 Are there any restrictions on Federal agencies concerning property donations to public bodies?**

Yes, Federal agencies must obtain prior concurrence of GSA before donating to public bodies—

(a) Improvements on land or related personal property having a current estimated fair market value in excess of \$250,000; and

(b) Land, regardless of cost.

### DISPOSAL COSTS

#### **§ 102-75.1020 Are public bodies ever required to pay the disposal costs associated with donated property?**

Yes, any public body receiving donated improvements on land or related personal property must pay the disposal costs associated with the donation, such as dismantling, removal, and the cleaning up of the premises.

### ABANDONMENT AND DESTRUCTION

#### **§ 102-75.1025 When can a Federal agency abandon or destroy improvements on land or related personal property in lieu of donating it to a public body?**

A Federal agency may not abandon or destroy improvements on land or related personal property unless a duly authorized official of that agency finds, in writing, that donating the property is not feasible. This written finding is in addition to the determination prescribed in §§ 102-75.1000, 102-75.1005, and 102-75.1010. If donating the property becomes feasible at any time prior to actually abandoning or destroying the property, the Federal agency must donate it.

#### **§ 102-75.1030 May Federal agencies abandon or destroy property in any manner they decide?**

No, Federal agencies may not abandon or destroy property in a manner that is detrimental or dangerous to public health or safety or that will infringe on the rights of other persons.
