

§ 136.107

award grants under this subpart to applicants whose project will, in the judgment of the Secretary, best promote the purposes of the Act, and the regulations of this subpart, taking into account:

(1) The apparent capability of the applicant to organize and manage the proposed project successfully considering, among other things the adequacy of staff, management systems, equipment and facilities.

(2) The soundness of the applicant's plan for conducting the project and for assuring effective utilization of grant funds.

(3) The adequacy of the budget in relation to the scope of the project and available funds.

(4) The relative effectiveness of the applicant's plan, as set forth in the application, to carry out each of the requirements § 136.105.

(5) The compatibility of the proposed project with the published goals and responsibilities of the IHS in carrying out its statutory mission.

(b) The Notice of Grant Awards specifies how long the Secretary intends to support the project period without requiring the project to re-compete for funds. This period, called the project period, will usually be for one to two years. The total project period comprises the original project period and any extension. Generally the grant will be for a one-year budget period, any subsequent award will also be a one-year budget period. A grantee must submit a separate application for each subsequent year. Decisions regarding continuation awards and the funding level of such awards will be made after consideration of such factors as the grantee's progress and management practices, and the availability of funds. In all cases, awards require a determination by the Secretary that funding is in the best interest of the Federal Government.

(c) Neither the approval of any application nor the award of any grant commits or obligates the Federal Government in any way to make any additional, supplemental, continuation or other award with respect to any ap-

§ 136.107 Use of project funds.

(a) A grantee shall only spend funds it receives under this subpart according to the approved application and budget, the regulations of this subpart, the terms and conditions of the award and the applicable cost principles prescribed in subpart Q of 45 CFR part 74.

(b) The provisions of any other Act notwithstanding, any funds made available to a tribal organization under grants pursuant to section 104(b) of the Act may be used as matching shares for any other Federal grant programs which contribute to the purposes for which grants under this section are made.

NOTE: This provision is excepted from application of 45 CFR 74.53 by section 104(c) of Pub. L. 93-638.

§ 136.108 [Reserved]

§ 136.109 Availability of appropriations.

The Secretary will from time to time publish a notice in the FEDERAL REGISTER indicating by areas the allotment of funds and categories of activities for which awards may be made under this subpart. The Secretary may revise such allotments and categories from time to time and will promptly publish a notice of such revisions in the FEDERAL REGISTER.

§ 136.110 Facilities construction.

In addition to other requirements of this subpart:

(a) An applicant for a construction grant to build, renovate, modernize, or remodel a hospital, clinic, health station or quarters for housing personnel associated with such facilities, must in its application:

(1) Provide its assessment of the environmental impact of the project as called for by section 102(2)(c) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(c)).
