If there is a conflict, the specific program regulations will govern and the conflicting portion of these regulations will not apply.

Your legal name and current address should appear on your application and other required documents.

§ 1822.11 What must I do to make an official filing with BLM?

You must file your application and any other required documents during regular office hours at the appropriate BLM office having jurisdiction over the lands or records involved. You must file any document with BLM through personal delivery or by mailing via the United States Postal Service or other delivery service, except for those applications that may be filed electronically under § 1822.13, unless a more specific regulation or law specifies the mode of delivery. The date of mailing is not the date of filing.

§ 1822.12 Where do I file my application or other required documents?

You should file your application or other required documents at the BLM office having jurisdiction over the lands or records involved. The specific BLM office where you are to file your application is usually referenced in the BLM regulations which pertain to the filing you are making. If the regulations do not name the specific office, or if you have questions as to where you should file your application or other required documents, contact your local BLM office for information and we will tell you which BLM office to file your application.

§ 1822.13 May I file electronically?

For certain types of applications, BLM will accept your electronic filing if an original signature is not required. If BLM requires your signature, you must file your application or document by delivery or by mailing. If you have any questions regarding which types of applications can be electronically filed, you should check with the BLM office where you intend to file your application. When you file an application electronically, it will not be considered filed until BLM receives it.
