model, calculation of plan average actuarial risk, or calculation of payments and charges. Except for purposes of data validation, the State may not collect or store any personally identifiable information for use as a unique identifier for an enrollee’s data, unless such information is masked or encrypted by the issuer, with the key to that masking or encryption withheld from the State.

(4) If a State is operating a risk adjustment program, the State must implement security standards that provide administrative, physical, and technical safeguards for the individually identifiable information consistent with the security standards described at 45 CFR 164.308, 164.310, and 164.312.

§ 153.350 Risk adjustment data validation standards.

(a) General requirement. The State, or HHS on behalf of the State, must ensure proper implementation of any risk adjustment software and ensure proper validation of a statistically valid sample of risk adjustment data from each issuer that offers at least one risk adjustment covered plan in that State.

(b) Adjustment to plan average actuarial risk. The State, or HHS on behalf of the State, may adjust the plan average actuarial risk for a risk adjustment covered plan based on errors discovered with respect to implementation of risk adjustment software or as a result of data validation conducted pursuant to paragraph (a) of this section.

(c) Adjustment to charges and payments. The State, or HHS on behalf of the State, may adjust charges and payments to all risk adjustment covered plan issuers based on the adjustments calculated in paragraph (b) of this section.

(d) Appeals. The State, or HHS on behalf of the State, must provide an administrative process to appeal findings with respect to the implementation of risk adjustment software or data validation.

Subpart E—Health Insurance Issuer and Group Health Plan Standards Related to the Reinsurance Program

§ 153.400 Reinsurance contribution funds.

(a) General requirement. Each contributing entity must make reinsurance contributions at the national contribution rate (and any additional contribution rate if the State has elected to collect additional contributions pursuant to §153.220(g)) for the reinsurance program for all reinsurance contribution enrollees who reside in a State, in a frequency and manner determined by HHS or the State, to HHS or the applicable reinsurance entity, as applicable.

(1) A contributing entity must make reinsurance contributions on behalf of its group health plans and health insurance coverage, except as set forth in paragraph (a)(2) of this section.

(2) A contributing entity is not required to make contributions on behalf of plans or health insurance coverage that consist solely of excepted benefits as defined by section 2791(c) of the PHS Act.

(b) Multiple reinsurance entities. If the State establishes or contracts with more than one applicable reinsurance entity, the contributing entity must make reinsurance contributions to each applicable reinsurance entity for the reinsurance contribution enrollees who reside in the applicable geographic area.

(c) Timeframe for Federal collections. Each contributing entity must submit contributions to HHS on a quarterly basis beginning January 15, 2014.

(d) Data requirements. Each contributing entity must submit to HHS and each applicable reinsurance entity, if the State elects to collect reinsurance contributions, data required to substantiate the contribution amounts for the contributing entity, in the manner and timeframe specified by the State or HHS.

§ 153.410 Requests for reinsurance payment.

(a) General requirement. An issuer of a reinsurance-eligible plan may make a request for payment when an enrollee of that reinsurance-eligible plan has
