Executive Secretary finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 1803.6 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity subject to this part.

(b) The Foundation may not, either directly or through arrangements with others, on the basis of handicap—

(1) Discriminate against a qualified individual with handicaps in the award or renewal of scholarships, through selection criteria or otherwise;

(2) Deny a qualified individual with handicaps the opportunity to participate as a member of boards or panels used to screen scholarship applicants;

(3) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(4) Otherwise subject a qualified individual with handicaps to discrimination.

(c) The Foundation may not, either directly or through arrangements with others, utilize criteria or methods of administration the purpose or effect of which would—

(1) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(2) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(d) The Foundation shall administer programs and activities in the most feasibly integrated setting appropriate to the needs of qualified individuals with handicaps.

§ 1803.7 Program accessibility: Existing facilities.

(a) The Foundation shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not necessarily require the Foundation to make each of its existing facilities accessible to and usable by individuals with handicaps, but no qualified individual with handicaps shall be denied the benefit of, be excluded from participation in, or otherwise be subjected to discrimination under any of the Foundation's programs and activities because any of the Foundation's facilities are inaccessible to or unusable by individuals with handicaps.

(b) When the Foundation uses facilities leased or otherwise provided by the General Services Administration (GSA), it shall request GSA to make any structural changes that the Foundation determines are required to provide necessary accessibility for individuals with handicaps, and shall inform that agency of any complaints regarding accessibility by individuals with handicaps.

(c) The Foundation periodically uses meeting rooms or similar facilities made available by non-federal entities. In any instances in which such temporarily used facilities are not readily accessible to qualified individuals with handicaps, the Foundation shall make alternative arrangements so that such qualified individuals with handicaps can participate fully in the Foundation's activity.

(d) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administration burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraph (a) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or
