§ 2552.46 What cost reimbursements are provided to Foster Grand-parents?

Cost reimbursements include:

- (a) Stipend. Foster Grandparents who are income eligible will receive a stipend in an amount determined by the Corporation and payable in regular installments, to enable them to serve without cost to themselves. The stipend is paid for the time Foster Grandparents spend with their assigned children, for earned leave, and for attendance at official project events.
- (b) *Insurance*. A Foster Grandparent is provided with the Corporation-specified minimum levels of insurance as follows:
- (1) Accident insurance. Accident insurance covers Foster Grandparents for personal injury during travel between their homes and places of assignment, during their volunteer service, during meal periods while serving as a volunteer, and while attending project-sponsored activities. Protection shall be provided against claims in excess of any benefits or services for medical care or treatment available to the volunteer from other sources.
- (2) Personal liability insurance. Protection is provided against claims in excess of protection provided by other insurance. It does not include professional liability coverage.

- (3) Excess automobile liability insurance. (i) For Foster Grandparents who drive in connection with their service, protection is provided against claims in excess of the greater of either:
- (A) Liability insurance volunteers carry on their own automobiles; or
- (B) The limits of applicable state financial responsibility law, or in its absence, levels of protection to be determined by the Corporation for each person, each accident, and for property damage.
- (ii) Foster Grandparents who drive their personal vehicles to or on assignments or project-related activities shall maintain personal automobile liability insurance equal to or exceeding the levels established by the Corporation.
- (c) Transportation. Foster Grandparents shall receive assistance with the cost of transportation to and from volunteer assignments and official project activities, including orientation, training, and recognition events.
- (d) Physical examination. Foster Grandparents are provided a physical examination prior to assignment and annually thereafter to ensure that they will be able to provide supportive service without injury to themselves or the children served.
- (e) *Meals and recognition*. Foster Grandparents shall be provided the following within limits of the project's available resources:
- (1) Assistance with the cost of meals taken while on assignment; and
 - (2) Recognition for their service.
- (f) Other volunteer expenses. Foster Grandparents may be reimbursed for expenses incurred while performing their volunteer assignments, provided these expenses are described in the Memorandum of Understanding negotiated with the volunteer station to which the volunteer is assigned and there are sufficient funds available to cover these expenses and meet all other requirements identified in the notice of grant award.
