§ 148.71 Information included in the dangerous cargo manifest.

The dangerous cargo manifest must include the following:

(a) The name and official number of the vessel. If the vessel has no official number, the international radio call sign must be substituted;
(b) The nationality of the vessel;
(c) The name of the material as listed in Table 148.10 of this part;
(d) The hold or cargo compartment in which the material is being transported;
(e) The name and address of the U.S. shipper (consignor) or, if the shipment originates in a foreign country, the U.S. consignee;
(f) A certification, signed by the shipper, that bears the following statement: “This is to certify that the above named material is properly named, prepared, and otherwise in proper condition for bulk shipment by vessel in accordance with the applicable regulations of the U.S. Coast Guard.”

§ 148.62 Location of shipping papers and emergency response information.

(a) The shipping paper and emergency response information required by §§148.60 and 148.61 of this part must be kept on board the vessel along with the dangerous cargo manifest required by §148.70 of this part. When the shipment is by unmanned barge the shipping papers and emergency response information must be kept on the tug or towing vessel. When an unmanned barge is moored, the shipping paper and emergency response information must be on board the barge in a readily retrievable location.

(b) Any written certification or statement from the shipper to the master of a vessel or to the person in charge of a barge must be on, or attached to, the shipping paper. See Subparts E and F of this part for required certifications.

§ 148.70 Dangerous cargo manifest; general.

(a) Except as provided in paragraph (b) of this section and in §148.72 of this part, each vessel transporting materials listed in Table 148.10 of this part must have a dangerous cargo manifest on board.

(b) This document must be kept in a designated holder on or near the vessel’s bridge. When required for an unmanned barge, the document must be on board the tug or towing vessel.

§ 148.61 Emergency response information.

The shipper of a material listed in Table 148.10 of this part must provide the master or his representative with appropriate emergency response information. This information may be included on the shipping papers or in a separate document such as a material safety data sheet (MSDS). The information must include preliminary first aid measures and emergency procedures to be carried out in the event of an incident or fire involving the cargo.
