

under the WOSB Program (see the provision at 52.219-1, Small Business Program Representations).

(b) Accurately measure the extent of participation by small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns in Government acquisitions in terms of the total value of contracts placed during each fiscal year, and report data to the SBA at the end of each fiscal year (see subpart 4.6).

(c) When the contract includes the clause at 52.219-28, Post Award Small Business Program Rerepresentation, and the conditions in the clause for rerepresenting are met—

(1) Require a contractor that represented itself as a small business concern prior to award of the contract to rerepresent its size status; and

(2) Permit a contractor that represented itself as other than a small business concern prior to award to rerepresent its size status.

19.203 Relationship among small business programs.

(a) There is no order of precedence among the 8(a) Program (subpart 19.8), HUBZone Program (subpart 19.13), Service-Disabled Veteran-Owned Small Business (SDVOSB) Procurement Program (subpart 19.14), or the Women-Owned Small Business (WOSB) Program (subpart 19.15).

(b) *At or below the simplified acquisition threshold.* For acquisitions of supplies or services that have an anticipated dollar value exceeding \$3,000 (\$15,000 for acquisitions as described in 13.201(g)(1)), but not exceeding \$150,000 (\$300,000 for acquisitions described in paragraph (1) of the simplified acquisition threshold definition at 2.101), the requirement at 19.502-2(a) to exclusively reserve acquisitions for small business concerns does not preclude the contracting officer from awarding a contract to a small business under the 8(a) Program, HUBZone Program, SDVOSB Program, or WOSB Program.

(c) *Above the simplified acquisition threshold.* For acquisitions of supplies or services that have an anticipated dollar value exceeding the simplified acquisition threshold definition at 2.101, the contracting officer shall first consider an acquisition for the small business socioeconomic contracting programs (*i.e.*, 8(a), HUBZone, SDVOSB, or WOSB programs) before considering a small business set-aside (see 19.502-2(b)). However, if a requirement has been accepted by the SBA under the 8(a) Program, it must remain in the 8(a) Program unless the SBA agrees to its release in accordance with 13 CFR parts 124, 125, and 126.

(d) In determining which socioeconomic program to use for an acquisition, the contracting officer should consider, at a minimum—

(1) Results of market research that was done to determine if there are socioeconomic firms capable of satisfying the agency's requirement; and

(2) Agency progress in fulfilling its small business goals.

(e) Small business set-asides have priority over acquisitions using full and open competition. *See* requirements for establishing a small business set-aside at subpart 19.5.

Subpart 19.3—Determination of Small Business Status for Small Business Programs

19.301 Representations and rerepresentations.

19.301-1 Representation by the offeror.

(a) To be eligible for award as a small business, an offeror must represent in good faith that it is a small business at the time of its written representation. An offeror may represent that it is a small business concern in connection with a specific solicitation if it meets the definition of a small business concern applicable to the solicitation and has not been determined by the Small Business Administration (SBA) to be other than a small business.

(b) The contracting officer shall accept an offeror's representation in a specific bid or proposal that it is a small business unless (1) another offeror or interested party challenges the concern's small business representation or (2) the contracting officer has a reason to question the representation. Challenges of and questions concerning a specific representation shall be referred to the SBA in accordance with 19.302.

(c) An offeror's representation that it is a small business is not binding on the SBA. If an offeror's small business status is challenged, the SBA will evaluate the status of the concern and make a determination, which will be binding on the contracting officer, as to whether the offeror is a small business. A concern cannot become eligible for a specific award by taking action to meet the definition of a small business

concern after the SBA has determined that it is not a small business.

(d) If the SBA determines that the status of a concern as a small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, or women-owned small business has been misrepresented in order to obtain a set-aside contract, an 8(a) subcontract, a subcontract that is to be included as part or all of a goal contained in a subcontracting plan, or a prime or subcontract to be awarded as a result, or in furtherance of any other provision of Federal law that specifically references Section 8(d) of the Small Business Act for a definition of program eligibility, the SBA may take action as specified in Sections 16(a) or 16(d) of the Act. If the SBA declines to take action, the agency may initiate the process. The SBA's regulations on penalties for misrepresentations and false statements are contained in 13 CFR 121.108 for small business, 13 CFR 124.501 for 8(a) small business, 13 CFR 124.1004 for small disadvantaged business, 13 CFR 125.29 for veteran or service-disabled veteran-owned small business, 13 CFR 126.900 for HUBZone small business, and 13 CFR 127.700 for economically disadvantaged women-owned small business concerns and women-owned small business (WOSB) concerns eligible under the WOSB Program.

19.301-2 Rerepresentation by a contractor that represented itself as a small business concern.

(a) *Definition.* As used in this subsection—

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.
