

premature if it is submitted before bid opening or notification of intended award. SBA normally will not consider a postaward protest. SBA may consider a postaward protest in its discretion where it determines that an SDB determination after award is meaningful (e.g., where the contracting officer agrees to terminate the contract if the protest is sustained).

(e) Upon receipt of a protest that is not premature, the contracting officer shall withhold award and forward the protest to Small Business Administration, Assistant Administrator for SDBCE, 409 Third Street, SW, Washington, DC 20416. The contracting officer shall send to SBA—

(1) The written protest and any accompanying materials;

(2) The date the protest was received;

(3) A copy of the protested concern's representation as a small disadvantaged business, and the date of such representation; and

(4) The date of bid opening or date on which notification of the apparently successful offeror was sent to unsuccessful offerors.

(f) When the contracting officer makes a written determination that award must be made to protect the public interest, award may be made notwithstanding the protest.

(g) The SBA Assistant Administrator for Small Disadvantaged Business Certification and Eligibility will notify the protestor and the contracting officer of the date the protest was received and whether it will be processed or dismissed for lack of timeliness or specificity. For protests that are not dismissed, the SBA will, within 15 working days after receipt of the protest, determine the disadvantaged status of the challenged offeror and will notify the contracting officer, the challenged offeror, and the protestor. Award may be made on the basis of that determination. The determination is final for purposes of the instant acquisition, unless it is appealed and—

(1) The contracting officer receives the SBA's decision on the appeal before award; or

(2) The contracting officer has agreed to terminate the contract, as appropriate, based on the outcome of the appeal (see 13 CFR 124, Subpart B).

(h) If the contracting officer does not receive an SBA determination within 15 working days after the SBA's receipt of the protest, the contracting officer shall presume that the challenged offeror is disadvantaged and may award the contract, unless the SBA requests and the contracting officer grants an extension to the 15-day response period.

(i) An SBA determination may be appealed by—

(1) The party whose protest has been denied;

(2) The concern whose status was protested; or

(3) The contracting officer.

(j) The appeal must be filed with the SBA's Administrator or designee within five working days after receipt of the determination. If the contracting officer receives the SBA's decision on the appeal before award, the decision shall apply to the instant acquisition. If the decision is received after award, it will not apply to the instant acquisition (but see paragraph (g)(2) of this section).

19.306 Protesting a firm's status as a HUBZone small business concern.

(a) *Definition.* As used in this section—

Interested party has the meaning given in 13 CFR 126.103.

(b) *HUBZone Small Business Status.* (1) For sole source acquisitions, the SBA or the contracting officer may protest the apparently successful offeror's HUBZone small business concern status.

(2) For all other acquisitions, an offeror that is an interested party, the contracting officer, or the SBA may protest the apparently successful offeror's qualified HUBZone small business concern status.

(c) Protests relating to whether a HUBZone small business concern is a small business for purposes of any Federal program are subject to the procedures of subpart 19.3. Protests relating to small business size status for the acquisition and the HUBZone qualifying requirements will be processed concurrently by SBA.

(d) All protests must be in writing and must state all specific grounds for the protest. Assertions that a protested concern is not a qualified HUBZone small business concern, without setting forth specific facts or allegations, are insufficient. An offeror must submit its protest to the contracting officer. The contracting officer and the SBA must submit protests to SBA's Associate Administrator for the HUBZone Program (Director/HUB).

(e)(1) The protest of an offeror that is an interested party must be submitted by—

(i) For sealed bids:

(A) The close of business on the fifth business day after bid opening; or

(B) The close of business on the fifth business day from the date of identification of the apparent successful offeror, if the price evaluation preference was not applied at the time of bid opening.

(ii) For negotiated acquisitions, the close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror.

(2) Any protest submitted after these time limits is untimely, unless it is submitted by the SBA or the contracting officer. Any protest received prior to bid opening or notification of intended award, whichever applies, is premature and shall be returned to the protester.

(f) Except for premature protests, the contracting officer shall forward all protests received, notwithstanding whether the contracting officer believes that the protest is not sufficiently specific, timely, or submitted by an interested party. The contracting officer shall also forward a referral letter with the information required by 13 CFR 126.801(e).

(g)(1) Protests may be submitted in person or by facsimile, express delivery service, or U.S. mail (postmarked within the applicable time period) to the Director/HUB, U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416, Fax (202) 205-7167.

(2) The Director/HUB will notify the protester and the contracting officer that the protest was received and indicate whether the protest will be pro-

cessed or dismissed for lack of timeliness or specificity. A protest will be dismissed if SBA determines the protester is not an interested party.

(h) SBA will determine the HUBZone status of the protested HUBZone small business concern within 15 business days after receipt of a protest. If SBA does not contact the contracting officer within 15 business days, the contracting officer may award the contract to the apparently successful offeror, unless the contracting officer has granted SBA an extension. The contracting officer may award the contract after receipt of a protest if the contracting officer determines in writing that an award must be made to protect the public interest.

(i) SBA will notify the contracting officer, the protester, and the protested concern of its determination. The determination is effective immediately and is final unless overturned on appeal by SBA's Associate Deputy Administrator for Government Contracting and Administrator for Government Contracting and 8(a) Business Development(AA/GC&BD).

(j) The protested HUBZone small business concern, the protester, or the contracting officer may file appeals of protest determinations with SBA's AA/GC&BD. The AA/GC&BD must receive the appeal no later than 5 business days after the date of receipt of the protest determination. SBA will dismiss any appeal received after the 5-day period.

(k) The appeal must be in writing. The appeal must identify the protest determination being appealed and must set forth a full and specific statement as to why the decision is erroneous or what significant fact the Director/HUB failed to consider.

(l) The party appealing the decision must provide notice of the appeal to the contracting officer and either the protested HUBZone small business concern or the original protester, as appropriate. SBA will not consider additional information or changed circumstances that were not disclosed at the time of the Director/HUB's decision or that are based on disagreement with the findings and conclusions contained in the determination.

(m) The AA/GC&BD will make its decision within 5 business days of the receipt of the appeal, if practicable, and will base its decision only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protester, and the protested HUBZone small business concern. The SBA decision, if received before award, will apply to the pending acquisition. SBA rulings received after award will not apply to that acquisition. The AA/GC&BD's decision is the final decision.

[63 FR 70269, Dec. 18, 1998, as amended at 64 FR 51831, Sept. 24, 1999; 75 FR 77729, Dec. 13, 2010]

19.307 Protesting a firm's status as a service-disabled veteran-owned small business concern.

(a) For sole source acquisitions, the SBA or the contracting officer may protest the apparently successful offeror's service-disabled veteran-owned small business status. For service-disabled veteran-owned small business set-asides, any interested party may protest the apparently successful offeror's service-disabled veteran-owned small business concern status.

(b) Protests relating to whether a service-disabled veteran-owned small business concern is a small business for purposes of any Federal program are subject to the procedures of Subpart 19.3. Protests relating to small business size status for the acquisition and the service-disabled veteran-owned small business status requirements will be processed concurrently by SBA.

(c) All protests must be in writing and must state all specific grounds for the protest. Assertions that a protested concern is not a service-disabled veteran-owned small business concern, without setting forth specific facts or allegations, are insufficient. An offeror must submit its protest to the contracting officer. The contracting officer and the SBA must submit protests to SBA's Associate Administrator for Government Contracting. The SBA regulations are found at 13 CFR 125.24 through 125.28.

(d) An offeror's protest must be received by close of business on the fifth business day after bid opening (in

sealed bid acquisitions) or by close of business on the fifth business day after notification by the contracting officer of the apparently successful offeror (in negotiated acquisitions). Any protest received after these time limits is untimely. Any protest received prior to bid opening or notification of intended award, whichever applies, is premature and shall be returned to the protester.

(e) Except for premature protests, the contracting officer must forward to SBA by mail or facsimile transmission (202-205-6390) any protest received, notwithstanding whether the contracting officer believes that the protest is insufficiently specific or untimely. The protest must be accompanied by a referral letter, with the notation on the envelope or facsimile cover sheet: "Attn: Service-Disabled Veteran Status Protest," and be sent to Associate Administrator for Government Contracting AA/GU, U.S. Small Business Administration, 409 3rd Street, SW., Washington, DC 20416.

(f) The referral letter must include information pertaining to the solicitation that may be necessary for SBA to determine timeliness and standing, including the solicitation number; the name, address, telephone number and facsimile number of the contracting officer; whether the contract was sole-source or set-aside; whether the protestor submitted an offer; whether the protested concern was the apparent successful offeror; when the protested concern submitted its offer (*i.e.*, made the self-representation that it was a service-disabled veteran-owned small business concern); whether the procurement was conducted using sealed bid or negotiated procedures; the bid opening date, if applicable; when the protest was submitted; when the protester received notification about the apparent successful offeror, if applicable; and whether a contract has been awarded.

(g) The Associate Administrator for Government Contracting will notify the protester and the contracting officer of the date the protest was received and whether the protest will be processed or dismissed for lack of timeliness or specificity.

(h) All questions about service-disabled veteran-owned small business
