

## 19.705

(d) A commercial plan (as defined in 19.701) is the preferred type of subcontracting plan for contractors furnishing commercial items. Once a contractor's commercial plan has been approved, the Government shall not require another subcontracting plan from the same contractor while the plan remains in effect, as long as the product or service being provided by the contractor continues to meet the definition of a commercial item. The contractor shall—

(1) Submit the commercial plan to either the first contracting officer awarding a contract subject to the plan during the contractor's fiscal year, or, if the contractor has ongoing contracts with commercial plans, to the contracting officer responsible for the contract with the latest completion date. The contracting officer shall negotiate the commercial plan for the Government. The approved commercial plan shall remain in effect during the contractor's fiscal year for all Government contracts in effect during that period;

(2) Submit a new commercial plan, 30 working days before the end of the Contractor's fiscal year, to the contracting officer responsible for the uncompleted Government contract with the latest completion date. The contractor must provide to each contracting officer responsible for an ongoing contract subject to the plan, the identity of the contracting officer that will be negotiating the new plan;

(3) When the new commercial plan is approved, provide a copy of the approved plan to each contracting officer responsible for an ongoing contract that is subject to the plan; and

(4) Comply with the reporting requirements stated in paragraph (a)(10) of this section by submitting one SSR in eSRS, for all contracts covered by its commercial plan. This report will be acknowledged or rejected in eSRS by the contracting officer who approved the plan. The report shall be

## 48 CFR Ch. 1 (10–1–12 Edition)

submitted within 30 days after the end of the Government's fiscal year.

### **19.705 Responsibilities of the contracting officer under the subcontracting assistance program.**

#### **19.705–1 General support of the program.**

The contracting officer may encourage the development of increased subcontracting opportunities in negotiated acquisition by providing monetary incentives such as payments based on actual subcontracting achievement or award-fee contracting (see the clause at 52.219–10, Incentive Subcontracting Program, and 19.708(c)). This subsection does not apply to SDB subcontracting (see 19.1203). When using any contractual incentive provision based upon rewarding the contractor monetarily for exceeding goals in the subcontracting plan, the contracting officer must ensure that (a) the goals are realistic and (b) any rewards for exceeding the goals are commensurate with the efforts the contractor would not have otherwise expended. Incentive provisions should normally be negotiated after reaching final agreement with the contractor on the subcontracting plan.

[48 FR 42240, Sept. 19, 1983, as amended at 60 FR 48262, Sept. 18, 1995; 63 FR 34065, June 22, 1998; 63 FR 36123, July 1, 1998]

#### **19.705–2 Determining the need for a subcontracting plan.**

The contracting officer must take the following actions to determine whether a proposed contractual action requires a subcontracting plan:

(a) Determine whether the proposed contractual action will meet the dollar threshold in 19.702(a)(1) or (2). If the action includes options or similar provisions, include their value in determining whether the threshold is met.
