32.106 Order of preference.

The contracting officer must consider the following order of preference when a contractor requests contract financing, unless an exception would be in the Government’s best interest in a specific case:

(c) Loan guarantees.
(d) Unusual contract financing (see 32.114).
(e) Advance payments (see exceptions in 32.402(b)).

32.109 Termination financing.

To encourage contractors to invest their own funds in performance despite the susceptibility of the contract to termination for the convenience of the Government, the contract financing procedures under this part may be applied to the financing of terminations either in connection with or independently of financing for contract performance (see 49.112-1).

32.110 Payment of subcontractors under cost-reimbursement prime contracts.

If the contractor makes financing payments to a subcontractor under a cost-reimbursement prime contract, the contracting officer should accept the financing payments as reimbursable costs of the prime contract only under the following conditions:

(a) The payments are made under the criteria in subpart 32.5 for customary progress payments based on costs, 32.202-1 for commercial item purchase financing, or 32.1003 for performance-based payments, as applicable.
(b) If customary progress payments are made, the payments do not exceed the progress payment rate in 32.501-1, unless unusual progress payments to the subcontractor have been approved in accordance with 32.501-2.
(c) If customary progress payments are made, the subcontractor complies with the liquidation principles of 32.503-8, 32.503-9, and 32.503-10.
(d) If performance-based payments are made, the subcontractor complies with the liquidation principles of 32.1004(d).
(e) The subcontract contains financing payments terms as prescribed in this part.
