237.102-78 Market research report guide for improving the tradecraft in services acquisition.

See PGI 210.070 for guidance on use of the market research report guide to conduct and document market research for service acquisitions.

[77 FR 52254, Aug. 29, 2012]

237.104 Personal services contracts.

(b)(i) Authorization to acquire the personal services of experts and consultants is included in 10 U.S.C. 129b. Personal service contracts for expert and consultant services must also be authorized by a determination and findings (D&F) in accordance with department/agency regulations.

(A) Generally, the D&F should authorize one contract at a time; however, an authorizing official may issue a blanket D&F for classes of contracts.

(B) Prepare each D&F in accordance with FAR 1.7 and include a determination that—

(1) The duties are of a temporary or intermittent nature;

(2) Acquisition of the services is advantageous to the national defense;

(3) DoD personnel with necessary skills are not available;

(4) Excepted appointment cannot be obtained;

(5) A nonpersonal services contract is not practicable;

(6) Statutory authority, 5 U.S.C. 3109 and other legislation, apply; and

(7) Any other determination required by statutes has been made.

(ii) Personal services contracts for health care are authorized by 10 U.S.C. 1091.

(A) This authority may be used to acquire—

(1) Direct health care services provided in medical treatment facilities;

(2) Health care services at locations outside of medical treatment facilities (such as the provision of medical screening examinations at military entrance processing stations); and

(3) Services of clinical counselors, family advocacy program staff, and

victim's services representatives to members of the Armed Forces and covered beneficiaries who require such services, provided in medical treatment facilities or elsewhere. Persons with whom a personal services contract may be entered into under this authority include clinical social workers, psychologists, psychiatrists, and other comparable professionals who have advanced degrees in counseling or related academic disciplines and who meet all requirements for State licensure and board certification requirements, if any, within their fields of specialization.

(B) Sources for personal services contracts with individuals under the authority of 10 U.S.C. 1091 shall be selected through the procedures in this section. These procedures do not apply to contracts awarded to business entities other than individuals. Selections made using the procedures in this section are exempt by statute from FAR part 6 competition requirements (see 206.001(b)).

(C) Approval requirements for—

(1) Direct health care personal services contracts (see paragraphs (b)(ii)(A)(1) and (2) of this section) and a pay cap are in DoDI 6025.5, Personal Services Contracts for Health Care Providers.

(i) A request to enter into a personal services contract for direct health care services must be approved by the commander of the medical/dental treatment facility where the services will be performed.

(ii) A request to enter into a personal services contract for a location outside of a medical treatment facility must be approved by the chief of the medical facility who is responsible for the area in which the services will be performed.

(2) Services of clinical counselors, family advocacy program staff, and victim's services representatives (see paragraph (b)(ii)(A)(3) of this section), shall be in accordance with agency procedures.

(D) The contracting officer must ensure that the requiring activity provides a copy of the approval with the purchase request.

(E) The contracting officer must provide adequate advance notice of contracting opportunities to individuals
