**3452.208-72 Paperwork Reduction Act.**

As prescribed in 3408.871, insert the following clause in all relevant solicitations and contracts:

PAPERWORK REDUCTION ACT (MAR 2011)

Contractors and Contracting Officers' Representatives shall be guided by the provisions of 5 CFR part 1320, Controlling Paperwork Burdens on the Public, and should seek the advice of the Department's Paperwork Clearance Officer to determine the procedures for acquiring CAO and OMB clearance.

(b) The contractor shall obtain the required clearances through the Contracting Officer's Representative before expending any funds or making public contacts for the collection of information described in paragraph (a) of this clause. The authority to expend funds and proceed with the collection

shall be in writing by the contracting officer. The contractor must plan at least 120 days for CAO and OMB clearance. **3452.209-70 Conflict of interest certification.**

As prescribed in 3409.507-1, insert the following provision in all solicitations anticipated to result in contract actions for services above the simplified acquisition threshold:

CONFLICT OF INTEREST CERTIFICATION (MAR 2011)

(a)(1) The contractor, subcontractor, employee, or consultant, by signing the form in this clause, certifies that, to the best of its knowledge and belief, there are no relevant facts or circumstances that could give rise to an organizational or personal conflict of interest, (see FAR Subpart 9.5 for organizational conflicts of interest) (or apparent conflict of interest), for the organization or any of its staff, and that the contractor, subcontractor, employee, or consultant has disclosed all such relevant information if such a conflict of interest appears to exist to a reasonable person with knowledge of the relevant facts (or if such a person would question the impartiality of the contractor, subcontractor, employee, or consultant). Conflicts may arise in the following situations:

(i) *Unequal access to information.* A potential contractor, subcontractor, employee, or consultant has access to non-public information through its performance on a government contract.

(ii) *Biased ground rules.* A potential contractor, subcontractor, employee, or consultant has worked, in one government contract, or program, on the basic structure or ground rules of another government contract.

(iii) *Impaired objectivity.* A potential contractor, subcontractor, employee, or consultant, or member of their immediate family (spouse, parent, or child) has financial or other interests that would impair, or give the appearance of impairing, impartial judgment in the evaluation of government programs, in offering advice or recommendations to the government, or in providing technical assistance or other services to recipients of Federal funds as part of its contractual responsibility. "Impaired objectivity" includes but is not limited to the following situations that would cause a reasonable person with knowledge of the relevant facts to question a person's objectivity:

(A) Financial interests or reasonably foreseeable financial interests in or in connection with products, property, or services that may be purchased by an educational agency, a person, organization, or institution in the course of implementing any program administered by the Department;

(B) Significant connections to teaching methodologies or approaches that might require or encourage the use of specific products, property, or services; or

(C) Significant identification with pedagogical or philosophical viewpoints that might require or encourage the use of a specific curriculum, specific products, property, or services.

(2) Offerors must provide the disclosure described above on any actual or potential conflict of interest (or apparent conflict of interest) regardless of their opinion that such a conflict or potential conflict (or apparent conflict of interest) would not impair their objectivity.

(3) In a case in which an actual or potential conflict (or apparent conflict of interest) is disclosed, the Department will take appropriate actions to eliminate or address the actual or potential conflict, including but not limited to mitigating or neutralizing the conflict, when appropriate, through such means as ensuring a balance of views, disclosure with the appropriate disclaimers, or by restricting or modifying the work to be performed to avoid or reduce the conflict. In this clause, the term "potential conflict" means reasonably foreseeable conflict of interest.

(b) The contractor, subcontractor, employee, or consultant agrees that if "impaired objectivity", or an actual or potential conflict of interest (or apparent conflict of interest) is discovered after the award is made, it will make a full disclosure in writing to the contracting officer. This disclosure shall include a description of actions that the contractor has taken or proposes to take to avoid, mitigate, or neutralize the actual or potential conflict (or apparent conflict of interest).

(c) Remedies. The Government may terminate this contract for convenience, in whole or in part, if it deems such termination necessary to avoid the appearance of a conflict of interest. If the contractor was aware of a potential conflict of interest prior to award or discovered an actual or potential conflict after award and did not disclose or misrepresented relevant information to the contracting officer, the Government may terminate the contract for default, or pursue such other remedies as may be permitted by law or this contract. These remedies include imprisonment for up to five years for violation of 18 U.S.C. 1001 and fines of up to \$5000 for violation of 31 U.S.C. 3802. Further remedies include suspension or debarment from contracting with the Federal government. The

contractor may also be required to reimburse the Department for costs the Department incurs arising from activities related to conflicts of interest. An example of such costs would be those incurred in processing Freedom of Information Act requests related to a conflict of interest.

(d) In cases where remedies short of termination have been applied, the contractor, subcontractor, employee, or consultant agrees to eliminate the organizational conflict of interest, or mitigate it to the satisfaction of the contracting officer.

(e) The contractor further agrees to insert in any subcontract or consultant agreement hereunder, provisions that conform substantially to the language of this clause, including specific mention of potential remedies and this paragraph (e).

(f) Conflict of Interest Certification.

The offeror, [insert name of offeror], hereby certifies that, to the best of its knowledge and belief, there are no present or currently planned interests (financial, contractual, organizational, or otherwise) relating to the work to be performed under the contract or task order resulting from Request for Proposal No. [insert number] that would create any actual or potential conflict of interest (or apparent conflicts of interest) (including conflicts of interest for immediate family members: spouses, parents, children) that would impinge on its ability to render impartial, technically sound, and objective assistance or advice or result in it being given an unfair competitive advantage. In this clause, the term "potential conflict" means reasonably foreseeable conflict of interest. The offeror further certifies that it has and will continue to exercise due diligence in identifying and removing or mitigating, to the Government's satisfaction, such conflict of interest (or apparent conflict of interest).
