Subpart A—General

§ 605.1 Purpose.

(a) The purpose of this part is to prescribe policies and procedures to implement section 109(a) of the National Mass Transportation Assistance Act of 1974 (Pub. L. 93–503; November 26, 1974; 88 Stat. 1565). Section 109(a) adds a new section 3(g) to the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1602(g)) and differs from section 164(b) of the Federal-Aid Highway Act of 1973 (49 U.S.C. 1602a(b)) in that section 3(g) applies to all grants for the construction or operation of mass transportation facilities and equipment under

the Federal Mass Transit Act, and is not limited to grants for the purchase of buses as is section 164(b).

(b) By the terms of section 3(g) no Federal financial assistance may be provided for the construction or operation of facilities and equipment for use in providing public mass transportation service to an applicant unless the applicant and the Administrator enter into an agreement that the applicant will not engage in school bus operations exclusively for the transportation of students and school personnel, in competition with private school bus operators.

§ 605.2 Scope.

These regulations apply to all recipients of financial assistance for the construction or operation of facilities and equipment for use in providing mass transportation under: (a) The Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1601 *et seq.*); (b) 23 U.S.C. 142 (a) and (c); and 23 U.S.C. 103 (e)(4).

§ 605.3 Definitions.

(a) Except as otherwise provided, terms defined in the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1604, 1608) are used in this part as so defined.

(b) For purposes of this part—

The Acts means the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1601 *et seq.*); 23 U.S.C. 142 (a) and (c); and 23 U.S.C. 103(e)(4).

Administrator means the Federal Mass Transit Administrator or his designee.

Adequate transportation means transportation for students and school personnel which the Administrator determines conforms to applicable safety laws; is on time; poses a minimum of discipline problems; is not subject to fluctuating rates; and is operated efficiently and in harmony with state educational goals and programs.

Agreement means a contractual agreement required under section 3(g) of the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1602(g)).

Applicant means applicant for assistance under the Acts.

Assistance means Federal financial assistance for the purchase of buses

and the construction or operation of facilities and equipment for use in providing mass transportation services under the Acts, but does not include research, development and demonstration projects funded under the Acts.

Grant contract means the contract between the Government and the grantee which states the terms and conditions for assistance under the Acts.

Government means the Government of the United States of America.

Grantee means a recipient of assistance under the Acts.

Incidental means the transportation of school students, personnel and equipment in charter bus operations during off peak hours which does not interfere with regularly scheduled service to the public (as defined in the Opinion of the Comptroller General of the United States, B160204, December 7, 1966, which is attached as appendix A of this part).

Interested party means an individual, partnership, corporation, association or public or private organization that has a financial interest which is adversely affected by the act or acts of a grantee with respect to school bus operations.

Reasonable Rates means rates found by the Administration to be fair and equitable taking into consideration the local conditions which surround the area where the rate is in question.

School bus operations means transportation by bus exclusively for school students, personnel and equipment in Type I and Type II school vehicles as defined in Highway Safety Program Standard No. 17.

Trippler service means regularly scheduled mass transportation service which is open to the public, and which is designed or modified to accommodate the needs of school students and personnel, using various fare collections or subsidy systems. Buses used in tripper service must be clearly marked as open to the public and may not carry designations such as "school bus" or "school special". These buses may stop only at a grantee or operator's regular service stop. All routes traveled by tripper buses must be within a grantee's or operator's regular route service as indicated in their published route schedules.

Urban area means the entire area in which a local public body is authorized by appropriate local, State and Federal law to provide regularly scheduled mass transportation service. This includes all areas which are either: (a) Within an "urbanized area" as defined and fixed in accordance with 23 CFR part 470, subpart B; or (b) within an "urban area" or other built-up place as determined by the Secretary under section 12(c)(4) of the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1608(c)(4)).

§ 605.4 Public hearing requirement.

Each applicant who engages or wishes to engage in school bus operations shall afford an adequate opportunity for the public to consider such operations at the time the applicant conducts public hearings to consider the economic, social or environmental effects of its requested Federal financial assistance under section 3(d) of the Federal Mass Transit Act of 1964, as amended (49 U.S.C. 1602(d)).

Subpart B—School Bus Agreements

§ 605.10 Purpose.

The purpose of this subpart is to formulate procedures for the development of an agreement concerning school bus operations.

§ 605.11 Exemptions.

A grantee or applicant may not engage in school bus operations in competition with private school bus operators unless it demonstrates to the satisfaction of the Administrator as follows:

(a) That it operates a school system in its urban area and also operates a separate and exclusive school bus program for that school system; or

(b) That private school bus operators in the urban area are unable to provide adequate transportation, at a reasonable rate, and in conformance with applicable safety standards; or

(c) That it is a state or local public body or agency thereof (or a direct predecessor in interest which has acquired the function of so transporting schoolchildren and personnel along with facilities to be used therefor) who
