§ 630.8 Questionable data items.
FTA may enter a zero, or adjust any questionable data item(s), in any reporting entity’s NTD submission that is used in computing the Section 5307 apportionment. These adjustments may be made if any data appears to be inaccurate, have not been collected and reported in accordance with FTA reference documents, or if there is not adequate documentation and a reliable recordkeeping system.

§ 630.9 Notice of FTA action.
Before taking final action under §§ 630.5 or 630.8, FTA will transmit a written request to the reporting entity to provide the necessary information within a specified reasonable period of time. FTA will advise the reporting entity of its final decision.

§ 630.10 Waiver of reporting requirements.
Waivers of one or more sections of the reporting requirements may be granted at the discretion of the Administrator on a written showing that the party seeking the waiver cannot furnish the required data without unreasonable expense and inconvenience. Each waiver will be for a specified period of time.

§ 630.11 Data adjustments.
Errors in the data used in making the Section 5307 apportionment may be discovered after any particular year’s apportionment is completed. If so, FTA shall make adjustments to correct these errors in a subsequent year’s apportionment to the extent feasible.
