

§ 300.704

System to be excluded from the requirement to register under sections 3 and 6(a) of the Military Selective Service Act (50 U.S.C. App. 453 and 456(a)) or Presidential proclamation.

Preponderance of the evidence means that degree of relevant evidence that a reasonable person, considering the record as a whole, would accept as sufficient to support a conclusion that the matter asserted is more likely to be true than not true.

Registrant means an individual registered under Selective Service law.

Selective Service law means the Military Selective Service Act, rules and regulations issued thereunder, and proclamations of the President under that Act.

Selective Service System means the agency responsible for administering the registration system and for determining who is required to register and who is exempt.

§ 300.704 Considering individuals for appointment.

(a) An executive agency must request a written statement of Selective Service registration status from each covered individual at an appropriate time during the consideration process prior to appointment, and from each covered employee who becomes 18 after appointment. The individual must complete, sign, and date in ink the statement on a form provided by the agency unless the applicant furnishes other documentation as provided by paragraph (c) of this section.

(b) *Statement of Selective Service registration status.* Agencies should reproduce the following statement, which has been approved by the Office of Management and Budget for use through October 31, 1989, under OMB Control No. 3206-0166:

APPLICANT'S STATEMENT OF SELECTIVE SERVICE REGISTRATION STATUS

If you are a male born after December 31, 1959, and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must be registered with the Selective Service System, unless you meet certain exemptions under Selective Service law. If you are required to register but knowingly and willfully fail to do so, you are ineligible for appointment by executive agencies of the Federal Government.

5 CFR Ch. I (1-1-12 Edition)

CERTIFICATION OF REGISTRATION STATUS

Check one:

- ☐ I certify I am registered with the Selective Service System.
- ☐ I certify I have been determined by the Selective Service System to be exempt from the registration provisions of Selective Service law.
- ☐ I certify I have not registered with the Selective Service System.

NON-REGISTRANTS UNDER AGE 26

If you are under age 26 and have not registered as required, you should register promptly at a United States Post Office, or consular office if you are outside the United States.

NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. Accordingly, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM decision through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with any explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.

FALSE STATEMENT NOTIFICATION

A false statement may be grounds for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment. (Section 1001 of title 18, United States Code.)

(d) An executive agency will give no further consideration for appointment to individuals who fail to provide the information requested above on registration status.

(e) An agency considering employment of a covered individual who is a current or former Federal employee is not required to request a statement when it determines that the individual's Official Personnel Folder contains evidence indicating the individual is registered or currently exempt from registration.

§ 300.705 Agency action following statement.

(a) Agencies must resolve conflicts of information and other questions concerning an individual's registration status prior to appointment. An agency may verify, at its discretion, an individual's registration status by requesting the individual to provide proof of registration or exemption issued by the Selective Service System and/or by contacting the Selective Service System at 888-655-1825.

(b) An agency may continue regular pre-employment consideration of individuals whose statements show they have registered or are exempt.

(c) An agency will take the following actions when a covered individual who is required to register has not done so, and is under age 26:

(1) Advise him to register promptly and, if he wishes further consideration, to submit a new statement immediately to the agency once he has registered. The agency will set a time limit for submitting the statement.

(2) Provide written notice to an individual who still does not register after being informed of the above requirements that he is ineligible for appointment according to 5 U.S.C. 3328 and will be given no further employment consideration.

(d) An agency will take the following actions when a covered individual who is age 26 or over, was required to register, and has not done so:

(1) Provide written notice to the individual that, in accordance with 5 U.S.C. 3328, he is ineligible for appointment unless his failure to register was neither knowing nor willful, and that OPM will decide whether his failure to register was knowing and willful if he submits a written request for such decision and an explanation of his failure to register.

(2) Submit the individual's application, the statement described in § 300.704(b), a copy of the written notice, his request for a decision and explanation of his failure to register, and any other papers pertinent to his registration status for determination to—Registration Review, Staffing Operations Division, Career Entry Group, room 6A12, U.S. Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.

(3) An agency is not required to keep a vacancy open for an individual who seeks an OPM determination.

(e) Individuals described in paragraph (c) of this section who do not submit a statement of registration or exemption are not eligible for employment consideration. Individuals described in paragraph (d) of this section are not eligible for employment consideration unless OPM finds that failure to register was neither knowing nor willful. Agencies are not required to follow the objections-to-eligibles procedures described in § 332.406 concerning such individuals who were certified or otherwise referred by an OPM examining office or other office delegated examining authority by OPM. Instead, an agency will provide, for information as part of its certification report to that office, a copy of its written notice to the individual.
