

§ 591.202

5 CFR Ch. I (1–1–12 Edition)

Major Expenditure Group (MEG) means one of the nine major groups into which OPM categorizes expenditures. These categories are food, shelter and utilities, clothing, transportation, household furnishings and supplies, medical, education and communication, recreation, and miscellaneous.

Nonforeign area means one of the areas listed in § 591.205.

Office of Personnel Management (OPM) means the Office of Personnel Management.

Official worksite means the official location of an employee's position of record as determined under 5 CFR 531.605.

Position of record means an employee's official position (defined by grade, occupational series, employing agency, law enforcement officer status, and any other condition that determines coverage under a pay schedule (other than official worksite)), as documented on the employee's most recent Notification of Personnel Action (Standard Form 50 or equivalent) and the current position description, excluding any position to which the employee is temporarily detailed. For an employee whose change in official position is followed within 3 workdays by a reduction in force resulting in the employee's separation before he or she is required to report for duty in the new position, the position of record in effect immediately before the position change is deemed to remain the position of record through the date of separation.

Post differential means an allowance OPM establishes under 5 U.S.C. 5941 at a location in a nonforeign area where conditions of environment differ substantially from conditions of environment in the contiguous United States and warrant its payment as a recruitment incentive.

Post differential area means a geographic area for which OPM authorizes a post differential. Post differential areas are listed in § 591.231.

Primary Expenditure Group (PEG) means one of approximately 40 expenditure groups into which OPM categorizes expenditures. A PEG is the first level of categorization under the MEG.

Rate of basic pay means the rate of pay fixed by statute for the position held by an individual, including any supplement included as part of basic pay under this subpart by law or regulation (e.g., a special rate supplement under 5 CFR part 530, subpart C), before any deductions and exclusive of additional pay of any other kind, such as overtime pay, night differential, extra pay for work on holidays, or other allowances and differentials. For firefighters covered by 5 U.S.C. 5545b, straight-time pay for regular overtime hours is basic pay, as provided in § 550.1305(b) of this chapter.

Washington, DC, area or *DC area* means the District of Columbia; Montgomery County, MD; Prince Georges County, MD; Arlington County, VA; Fairfax County, VA; Prince William County, VA; and the independent cities of Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park, Virginia; and in the context of certain survey items, includes additional geographic locations beyond these jurisdictions.

COST-OF-LIVING ALLOWANCES AND POST DIFFERENTIALS

§ 591.202 Why does the Government pay COLAs?

The Government pays COLAs as additional compensation to certain civilian Federal employees in specified nonforeign areas in consideration of higher living costs in the local area compared with living costs in the Washington, DC, area.

§ 591.203 Why does the Government pay post differentials?

The Government pays post differentials to certain civilian Federal employees in specified nonforeign areas as a recruitment incentive based on conditions of environment in the local area compared with conditions in the continental United States. Post differentials are designed to attract persons from outside the area to work for the Federal Government in the post differential area.
