

## § 1651.7

(d) *Parentage disputes.* If the identity of the father or mother of a child is in dispute or otherwise unclear (e.g., only one parent is listed on a birth certificate), the purported child must submit to the TSP either:

(1) A court order or other administrative finding establishing parentage; or

(2) Documentation sufficient for establishing parentage under the law of the state in which the participant was domiciled at the time of death.

[62 FR 32429, June 13, 1997, as amended at 74 FR 63063, Dec. 2, 2009]

### § 1651.7 Parent or parents.

If the account is to be paid to the participant's parent or parents under § 1651.2(a)(4), the following rules apply:

(a) *Amount.* If both parents are alive at the time of the participant's death, each parent will be separately paid fifty percent of the account. If only one parent is alive at the time of the participant's death, he or she will receive the entire account balance.

(b) *Step-parent.* A step-parent is not considered a parent unless the step-parent adopted the participant.

### § 1651.8 Participant's estate.

If the account is to be paid to the duly appointed executor or administrator of the participant's estate under § 1651.2(a)(5), the following rules apply:

(a) *Appointment by court.* The executor or administrator must provide documentation of court appointment.

(b) *Appointment by operation of law.* If state law provides procedures for handling small estates, the Board will accept the person authorized to dispose of the assets of the deceased participant under those procedures as a duly appointed executor or administrator. Documentation which demonstrates that the person is properly authorized under state law must be submitted to the TSP record keeper.

### § 1651.9 Participant's next of kin.

If the account is to be paid to the participant's next of kin under § 1651.2(a)(6), the next of kin of the participant will be determined in accordance with the state law of the participant's domicile at the time of death.

## 5 CFR Ch. VI (1–12 Edition)

### § 1651.10 Deceased and non-existent beneficiaries.

(a) *Designated beneficiary dies before participant.* The share of any designated beneficiary who predeceases the participant will be paid pro rata to the participant's other designated beneficiary or beneficiaries. If no designated beneficiary survives the participant, the account will be paid according to the order of precedence set forth in § 1651.2(a).

(b) *Trust designated as beneficiary but not in existence.* If a participant designated a trust or other entity as a beneficiary and the entity does not exist on the date of the participant's death, or is not created by will or other document that is effective upon the participant's death, the amount designated to the entity will be paid in accordance with the rules of paragraph (a) of this section, as if the trust were a beneficiary that predeceased the participant.

(c) *Non-designated beneficiary dies before participant.* If a beneficiary other than a beneficiary designated on a TSP designation of beneficiary form dies before the participant, the beneficiary's share will be paid equally to other living beneficiaries bearing the same relationship to the participant as the deceased beneficiary. However, if the deceased beneficiary is a child of the participant, payment will be made to the deceased child's descendants, if any. If there are no other beneficiaries bearing the same relationship or, in the case of children, there are no descendants of deceased children, the deceased beneficiary's share will be paid to the person(s) next in line according to the order of precedence.

(d) *Beneficiary dies after participant but before payment.* If a beneficiary dies after the participant, the beneficiary's share will be paid to the beneficiary's estate. A copy of a beneficiary's certified death certificate is required in order to establish that the beneficiary has died, and when.

[70 FR 32216, June 1, 2005]

### § 1651.11 Simultaneous death.

If a beneficiary dies at the same time as the participant, the beneficiary will be treated as if he or she predeceased

the participant and the account will be paid in accordance with §1651.10. The same time is considered to be the same hour and minute as indicated on a death certificate. If the participant and beneficiary are killed in the same event, death is presumed to be simultaneous, unless evidence is presented to the contrary.

#### § 1651.12 Homicide.

If the participant's death is the result of a homicide, a beneficiary will not be paid as long as the beneficiary is under investigation by local, state or Federal law enforcement authorities as a suspect. If the beneficiary is implicated in the death of the participant and the beneficiary would be precluded from inheriting under state law, the beneficiary will not be entitled to receive any portion of the participant's account. The Board will follow the state law of the participant's domicile as that law is set forth in a civil court judgment (that, under the law of the state, would protect the Board from double liability or payment) or, in the absence of such a judgment, will apply state law to the facts after all criminal appeals are exhausted. The Board will treat the beneficiary as if he or she predeceased the participant and the account will be paid in accordance with §1651.10.

[62 FR 32429, June 13, 1997, as amended at 75 FR 44066, July 28, 2010]

#### § 1651.13 How to apply for a death benefit.

The TSP has created a paper form that a potential beneficiary must use to apply for a TSP death benefit. The TSP must receive this form before a death benefit can be paid. Any individual can file this form with the TSP record keeper. The individual submitting the form must attach to the form a certified copy of the participant's death certificate. The TSP record keeper's acceptance of this form does not entitle the applicant to benefits. Please visit <http://www.tsp.gov> to obtain a copy of this form and for the current mailing address for death benefit applications.

[70 FR 32217, June 1, 2005, as amended at 71 FR 50319, Aug. 25, 2006]

#### § 1651.14 How payment is made.

(a) *Notice.* The TSP record keeper will send notice of pending payment to each beneficiary.

(b) *Payment.* Payment is made separately to each entitled beneficiary. The TSP will send the payment to the address that is provided on the participant's TSP designation of beneficiary form unless the TSP receives written notice of a more recent address. All beneficiaries must provide the TSP record keeper with a taxpayer identification number; *i.e.*, Social Security number (SSN), employee identification number (EIN), or individual taxpayer identification number (ITIN), as appropriate.

(c) *Payment to the participant's spouse.* The Agency will automatically establish a beneficiary participant account (described in §1651.19) for any spouse beneficiary. The Agency will not maintain a beneficiary participant account if the balance of the beneficiary participant account is less than \$200 on the date the account is established. The Agency also will not transfer this amount to another eligible plan or pay it by electronic funds transfer. Instead the spouse will receive an immediate distribution in the form of a check.

(d) *Payment to minor child or incompetent beneficiary.* Payment will be made in the name of a minor child or incompetent beneficiary. A parent or other guardian may direct where the payment should be sent and may make any permitted tax withholding election. A guardian of a minor child or incompetent beneficiary must submit court documentation showing his or her appointment as guardian.

(e) *Payment to executor or administrator.* If payment is to the executor or administrator of an estate, the check will be made payable to the estate of the deceased participant, not to the executor or administrator. A TIN must be provided for all estates.

(f) *Payment to trust.* If payment is to a trust, the payment will be made payable to the trust and mailed in care of the trustee. A TIN must be provided for the trust.

(g) *Payment to inherited IRA on behalf of a non-spouse beneficiary.* If payment is to an inherited IRA on behalf of a non-spouse beneficiary, the check will
