With the permission of the person receiving the request, service may be made by facsimile transmission or by any other agreed-upon method. Documents may also be accepted by the Panel if transmitted to the facsimile machine of its office, but only with advance permission, which may be obtained by telephone. Service of a document may be made in person or by registered mail, certified mail, regular mail, or private delivery service. With the permission of the person receiving the document, service may be made by facsimile transmission or by any other agreed-upon method.

(c) A signed and dated statement of service shall accompany each document submitted to the Panel. The statement of service shall include the names of the parties and persons served, their addresses, the date of service, the nature of the document served, and the manner in which service was made.

(d) The date of service or date served shall be the day when the matter served, if properly addressed, is deposited in the U.S. mail or is delivered in person or is deposited with a private delivery service that will provide a record showing the date the document was tendered to the delivery service. Where service is made by facsimile transmission, the date of service shall be the date on which transmission is received.
