Subpart B—Regional Fishery Management Councils

§ 600.105 Intercouncil boundaries.

(a) *New England and Mid-Atlantic Councils.* The boundary begins at the intersection point of Connecticut, Rhode Island, and New York at 41°18'16.249" N. lat. and 71°54'28.477" W. long. and proceeds south 37°22'32.75" East to the point of intersection with the outward boundary of the EEZ as specified in the Magnuson-Stevens Act.

§ 600.110 Intercouncil fisheries.

If any fishery extends beyond the geographical area of authority of any one Council, the Secretary may—

(a) Designate a single Council to prepare the FMP for such fishery and any amendments to such FMP, in consultation with the other Councils concerned; or

(b) Require that the FMP and any amendments be prepared jointly by all the Councils concerned.

(1) A jointly prepared FMP or amendment must be adopted by a majority of the voting members, present and voting, of each participating Council. Different conservation and management measures may be developed for specific geographic areas, but the FMP should address the entire geographic range of the stock(s).

(2) In the case of joint FMP or amendment preparation, one Council will be designated as the “administrative lead.” The “administrative lead” Council is responsible for the preparation of the FMP or any amendments and other required documents for submission to the Secretary.

(3) None of the Councils involved in joint preparation may withdraw without Secretarial approval. If Councils cannot agree on approach or management measures within a reasonable period of time, the Secretary may designate a single Council to prepare the FMP or may issue the FMP under Secretarial authority.

§ 600.115 Statement of organization, practices, and procedures (SOPP).

(a) Councils are required to publish and make available to the public a SOPP in accordance with such uniform standards as are prescribed by the Secretary (section 302(f)(6)) of the Magnuson-Stevens Act. The purpose of the SOPP is to inform the public how the Council operates within the framework of the Secretary’s uniform standards.

(b) Amendments to current SOPPs must be consistent with the guidelines in this section, subpart C of this part,

the terms and conditions of the cooperative agreement (the funding agreement between the Council and NOAA that establishes Council funding and mandates specific requirements regarding the use of those funds), the statutory requirements of the Magnuson-Stevens Act, and other applicable law. Upon approval of a Council's SOPP amendment by the Secretary, a notice of availability must be published in the FEDERAL REGISTER that includes an Internet address from which the amended SOPP may be read and downloaded and a mailing address to which the public may write to request copies.

(c) Councils may deviate, where lawful, from the guidelines with appropriate supporting rationale, and Secretarial approval of each amendment to a SOPP would constitute approval of any such deviations for that particular Council.

§ 600.120 Employment practices.

(a) Council staff positions must be filled solely on the basis of merit, fitness for duty, competence, and qualifications. Employment actions must be free from discrimination based on race, religion, color, national origin, sex, age, disability, reprisal, sexual orientation, status as a parent, or on any additional bases protected by applicable Federal, state, or local law.

(b) The annual pay rates for Council staff positions shall be consistent with

the pay rates established for General Schedule Federal employees as set forth in 5 U.S.C. 5332, and the Alternative Personnel Management System for the U.S. Department of Commerce (62 FR 67434). The Councils have the discretion to adjust pay rates and pay increases based on cost of living (COLA) differentials in their geographic locations. COLA adjustments in pay rates and pay increases may be provided for staff members whose post of duty is located in Alaska, Hawaii, Guam, the U.S. Virgin Islands, the Northern Mariana Islands, and Puerto Rico.

(1) No pay adjustment based on geographic location shall exceed the COLA and locality pay adjustments available to Federal employees in the same geographic area.

(2) [Reserved]

(c) Salary increases funded in lieu of life and medical/dental policies are not permitted.

(d) Unused sick leave may be accumulated without limit, or up to a maximum number of days and contribution per day, as specified by the Council in its SOPP. Distributions of accumulated funds for unused sick leave may be made to the employee upon his or her retirement, or to his or her estate upon his or her death, as established by the Council in its SOPP.

(e) Each Council may pay for unused annual leave upon separation, retirement, or death of an employee.

(f) One or more accounts shall be maintained to pay for unused sick or annual leave as authorized under paragraphs (d) and (e) of this section, and will be funded from the Council's annual operating allowances. Councils have the option to deposit funds into these account(s) at the end of the budget period if unobligated balances remain. Interest earned on these account(s) will be maintained in the account(s), along with the principal, for the purpose of payment of unused annual and sick leave only. These account(s), including interest, may be carried over from year to year. Budgeting for accrued leave will be identified in the "Other" object class categories section of the SF-424A.
