§ 1421.106 Warehouse-stored marketing assistance loan collateral.

(a) A commodity may be pledged as collateral for a warehouse-stored marketing assistance loan in the quantity delivered to CCC for storage at a warehouse that meets standards for approval at part 1423 of this chapter. Such quantity shall be the net weight specified on the warehouse receipt or supplemental certificate.

(b) Two or more producers may obtain a single joint marketing assistance loan for commodities stored in an approved warehouse if the warehouse receipt pledged as collateral is issued jointly to the producers.

(c) If more than one producer executes a note and security agreement with CCC, each such producer shall be jointly and severally liable for the violation of the terms and conditions of the note and the regulations in this part. Each such producer shall also remain liable for repayment of the entire marketing assistance loan amount until the marketing assistance loan is fully repaid without regard to such producer’s claimed share in the commodity pledged as collateral. In addition, such producer may not amend the note and security agreement with respect to the producer’s claimed share in such commodities, or marketing assistance loan proceeds, after execution of the note and security agreement by CCC.

(d) Storage rates that CCC has approved to be deducted from marketing assistance loan proceeds are available in USDA State and county FSA service centers. Deductions shall be based upon entries on the warehouse receipt or supplemental certificate, but the storage rate shall not exceed the storage rate CCC has approved. No storage deduction shall be made if written evidence acceptable to CCC is submitted indicating that:

1. Storage charges through the maturity date have been prepaid; or
2. The producer has arranged with the warehouse operator for the payment of storage charges through the maturity date and the warehouse operator enters an endorsement in substantially the following form on the warehouse receipt:

   Storage arrangements have been made by the depositor of the commodity covered by this receipt through [date through which storage has been provided]. No lien will be asserted by the warehouse operator against

§1421.107 Warehouse receipts.

(a) Warehouse receipts tendered to CCC under §1421.3 for marketing assistance loans must meet the provisions of this section and all other provisions of this part, and CCC program documents. (b) Warehouse receipts must be issued in the name of the eligible producer or CCC. If issued in the name of the eligible producer, the receipt must be properly endorsed on its reverse side certifying that the crop is free of encumbrances in order for title to vest in the holder. Receipts must be issued by an authorized warehouse and must represent a commodity that is deemed to be stored commingled. The receipts must be negotiable and must represent a commodity that is the same quantity and quality as the eligible commodity actually in storage in the warehouse of the original deposit.

(c) If the receipt is issued for a commodity that is owned by the warehouse operator either solely, jointly, or in common with others, the fact of such ownership shall be stated on the receipt. In States where the pledge of warehouse receipts issued by a warehouse operator on the warehouse operator's commodity is invalid, the warehouse operator may offer the commodity to CCC for a marketing assistance loan if such warehouse is licensed under the U.S. Warehouse Act.

(d) Each warehouse receipt or accompanying supplemental certificate representing a commodity stored in an authorized warehouse must indicate that the commodity is insured. CCC shall not be responsible for the cost of such insurance.

(e) A separate warehouse receipt must be submitted for each grade and class of any commodity tendered to CCC and, for rice, such receipt must also state the milling yield of the rice, and for wool, such receipts must also state the yield and micron of the wool.

(f) With respect to peanuts, a warehouse receipt must be submitted exhibiting grade, type, and segregation for peanuts tendered to CCC.

(g)(1) Each warehouse receipt, or a supplemental certificate (in duplicate) that properly identifies the warehouse receipt, must be issued by an authorized warehouse as specified in §1421.103(c)(1), as applicable, and must indicate:

(i) The name and location of the storing warehouse;
(ii) The warehouse code assigned by licensing authority;
(iii) The warehouse receipt number;
(iv) The date the receipt was issued;
(v) The type of commodity;
(vi) The date the commodity was deposited or received;
(vii) The date to which storage has been paid or the storage start date;
(viii) Whether the commodity was received by rail, truck or barge;
(ix) The amount per bushel, pound, or hundredweight of prepaid in or out charges;
(x) The signature of the warehouse operator or the authorized agent; and
(xi) For warehouses operating under a merged warehouse code agreement (KC-385), the location and county to which the producer delivered the commodity.

(2) In addition to the information specified in paragraph (g)(1) of this section, additional commodity specific requirements shall be determined by CCC and be available at State and county offices and the Kansas City Commodity Office.
