Subpart A—General Provisions

§ 1437.1 Applicability.

(a) The Noninsured Crop Disaster Assistance Program (NAP) is intended to provide eligible producers of eligible crops coverage equivalent to the catastrophic risk protection level of crop insurance. NAP is designed to help reduce production risks faced by producers of commercial crops or other agricultural commodities. NAP will reduce financial losses that occur when natural disasters cause a catastrophic loss of production or where producers are prevented from planting an eligible crop.

(b) The provisions contained in this part are applicable to eligible producers and eligible crops for which catastrophic coverage under section 508(b) the Federal Crop Insurance Act (7 U.S.C. 1508(b)), as amended, or its successors, is not available.

(c) The regulations of this part are applicable to the 2001 and subsequent crop years.

§ 1437.2 Administration.

(a) NAP is administered under the general supervision of the Executive Vice-President, CCC (who also serves as Administrator, Farm Service Agency), and shall be carried out by State and county FSA committees (State and county committees).

(b) State and county committees, and representatives and their employees, do not have authority to modify or waive any of the provisions of the regulations of this part.

(c) The State committee shall take any action required by the regulations of this part that the county committee has not taken. The State committee shall also:

(1) Correct, or require a county committee to correct, any action taken by such county committee that is not in accordance with the regulations of this part; or

(2) Require a county committee to withhold taking any action that is not in accordance with this part.
