Commodity Credit Corporation, USDA

§ 1467.16 Payments not subject to claims.
Any cost-share, contract, or easement payment or portion thereof due any person under this part shall be allowed without regard to any claim or lien in favor of any creditor, except agencies of the United States Government.

§ 1467.17 Assignments.
Any person entitled to any cash payment under this program may assign the right to receive such cash payments, in whole or in part.

§ 1467.18 Appeals.
(a) A person participating in the WRP may obtain a review of any administrative determination concerning eligibility for participation utilizing the administrative appeal regulations provided in 7 CFR part 614.
(b) Before a person may seek judicial review of any administrative action taken under this part, the person must exhaust all administrative appeal procedures set forth in paragraph (a) of this section, and for purposes of judicial review, no decision shall be a final Agency action except a decision of the Chief of the NRCS under these procedures.
(c) Any appraisals, market analysis, or supporting documentation that may be used by the NRCS in determining property value are considered confidential information, and shall only be disclosed as determined at the sole discretion of the NRCS in accordance with applicable law.
(d) Enforcement actions undertaken by the NRCS in furtherance of its federally held property rights are under the jurisdiction of the federal courts and not subject to review under administrative appeal regulations.

§ 1467.19 Scheme and device.
(a) If it is determined by the NRCS that a participant has employed a scheme or device to defeat the purposes of this part, any part of any program payment otherwise due or paid such participant during the applicable period may be withheld or be required to be refunded with interest thereon, as determined appropriate by NRCS.
(b) A scheme or device includes, but is not limited to, coercion, fraud, misrepresentation, depriving any other person of payments for cost-share practices, contracts, or easements for the purpose of obtaining a payment to which a person would otherwise not be entitled.
(c) A participant who succeeds to the responsibilities under this part shall report in writing to the NRCS any interest of any kind in enrolled land that is held by a predecessor or any lender. A failure of full disclosure will be considered a scheme or device under this section.

§ 1467.20 Market-based conservation initiatives.
(a) Acceptance and use of contributions. Section 1241(e) of the Food Security Act of 1985, as amended, (16 U.S.C. 3841(e)), allows the Chief to accept and use contributions of non-Federal funds to support the purposes of the program. These funds shall be available without further appropriation and until expended, to carry out the program.
(b) Ecosystem Services Credits for Conservation Improvements. (1) USDA recognizes that environmental benefits will be achieved by implementing conservation practices and activities funded through WRP, and that environmental credits may be gained as a result of implementing activities compatible with the purposes of a WRP easement, 30-year contract, or restoration cost-share agreement. NRCS asserts no direct or indirect interest in these credits. However, NRCS retains the authority to ensure that the requirements of the WRPO, contract, and easement deed are met. Where activities required under an environmental credit agreement may affect land covered under a WRP easement, 30-year contract, or restoration cost-share agreement, participants are highly encouraged to request a compatibility assessment from NRCS prior to entering into such agreements.
(2) Section 1222(f)(2) of the Food Security Act of 1985 as amended, does not allow wetlands restored with Federal funds to be utilized for Food Security Act wetland mitigation purposes.
